VOL. LVIII—No. 282

CITY OF KINGSTON, N. Y., TUESDAY EVENING, SEPTEMBER 17, 1929.

PRICE FOUR CENTS.

Little Interest in Today's Assembly Primary Elections

Albany, Sept. 17 (AP).—New York voters, except in a few instances, displayed little interest in today's assembly primary elections. A mere handful of contests, with a majority in New York city, resulted in the participation in the primaries by but a small fraction of the state's voting population. New York city had fifteen of the twenty-four contests in the state, with Queens and New York counties making the major disturbances.

The fight of Edmund B. Jenks, a former prohibition leader of the New York legislature and a Republican representative of the first district of Broome county, against R. N. Whiting, Binghamton alderman, held attention upstate.

In New York city, attention focused on the contest in the 13th district of New York county, where the fight of Assemblyman Joseph H. Roderick and James Cannon developed from a quarrel over the Democratic leadership of the district.

Queens county Democrats awaited the outcome of contests in all six districts, with at least one of the fights a four-sided nature. With few exceptions each of the candidates asked the support of the organization. Two members of the Assembly sought renomination in contests. Kings county Democratic assemblymen also have their campaigns renomination contested.

A battle for Republican leadership in the 19th district of New York, where approximately half the population is negro, involved the assemblyman of that district, Abrahamenthal, opposed by Francis E. Peters, a negro.

The contest upstate between Jenks and Whiting, like the others, apparently involved no party split. Whiting's opposition to Jenks, Broome county observers said, was not based on a wet-and-dry issue, as Whiting's stand on the question was identical to that of Jenks.

The renomination of another upstate Republican, Assemblyman A. Hartshorn, Madison county, was contested by H. J. Schefele, former mayor of Oneida. Hartshorn defeated Schefele in the 1927 primaries. Schenectady county Republican organization leaders declared themselves out of the contests in both districts of that county where the organization was defeated in a Senatorial contest last fall. The renomination of Charles W. Merriam, William M. Nicoll, who have held their posts for several terms, was contested by Thomas W. Wallace and William W. Wemple, Jr.

Republicans in three districts of western New York were involved in this. The contest between Roy Switt, Niagara county assemblyman, and Samuel E. Britton was of personal nature. The Orleans county chairman, supported by many of the organization, has expressed himself as favoring renomination of assemblyman Frank H. Lattin, while another group has thrown its support to Clark Allis, a Medina man.

The prohibition question came to the surface in a contest in Monroe county, where the renomination of Larry J. McKay, for the second district, was opposed by Milo I. Tomovich, a candidate proffered by a group calling itself "The Committee Ten Thousand" which explained was pledged to the cause of prohibition. Northern New York Republicans also found themselves involved in contests in two counties, Lewis and Franklin. The Lewis county organization remained aloof in the fight between Edward Sheldon and John Vance. In Franklin county a fight was waged between Floyd P. King, clerk of the Board of Supervisors and former farmer of Malone, and James A. Latour, who recently resigned as postmaster of Saranac Lake.

TEXTILE WORKERS INDICTED FOR RIOTING

Marion, N. C., Sept. 17 (AP).—Six members of the United Textile Workers of America, including Alfred L. Hoffman, its southern organizer, were under indictments today charging rioting and rebellion. The McDowell county grand jury, when the bills yesterday morning against the state of North Carolina, quickly found true cases against the men. The charges grew from a textile strike riot August 31 in the McDowell mill village here. The riot was the only major disturbance during the nine weeks' strike which was settled by arbitration last week. The strikers agreeing to return to work at the same basis of wages, but on a 55-hour instead of 44-hour week.

DAD AT MARLBOROUGH UNDER CONSTRUCTION

The road between Marlborough and Newburgh is under construction, requiring tourists to use several detours. Work on the roadbed and that of making new bridges is about complete and it is expected that the driving of concrete will soon start. Several impatient tourists, who used the road instead of the Folin Heights detour, found themselves stuck in the mud caused by the recent rains.

No Cases Ready For Trial in County Court

County court convened Monday afternoon but there were no cases ready for trial. The jurors in attendance were again excused until Wednesday morning at 10 o'clock and Judge Fowler stated that he did not intend to bring the jurors back time after time and have no work for them. A day calendar was made up to include the following cases, Nos. 3, 8, 11, 15, 22 and 23.

A motion made by Peter H. Harp in actions brought by Mr. and Mrs. Lloyd Plass against William Dodge, tried last week and resulting in no cause of action verdicts, to set aside the verdict was denied by the court and a stay granted.

Two actions brought by Andrew M. Taylor against the Ulster County Ice and Coal Corporation were put over the term by consent of counsel. By agreement of counsel No. 16, George H. Smiley against Sidney F. Stuts and Dick Thompson, an appeal from justice court, was set down for September 19. H. A. Lent for plaintiff and William F. Leahy for defendant.

Court recessed until Wednesday morning at 10 o'clock.

MINISTER CHARGES THAT 'PANTAGES JURY IS 'HUNG'

Los Angeles, Sept. 17 (AP).—The trial of Mrs. Alexander Pantages on a second degree murder charge growing out of an automobile collision in which Roy Rukumoto, Japanese, was killed, faced the prospect of temporary delay today, while Judge Hardy investigated charges made by the Rev. Robert Shuler that the jury in the case already had been "hung."

Mrs. Pantages, wife of the theatrical manager who is at liberty under bond, facing a charge of criminally assaulting a young dancer, is accused of driving her automobile into Rukumoto's car while he was intoxicated. Taking cognizance of asserted charges that a "hung" jury was certain, Judge Hardy ordered Shuler to appear in court today with letters and records upon which the minister said, he partly based his allegations. Shuler made his accusations in a radio speech Sunday night and he repeated them in part late yesterday before a committee composed of three members of the Bar Association. Shuler said his radio accusations were based on information he maintained reached him from an unknown source. He said his unknown informant claimed one of the jurors had a questionable mental attitude toward liquor and women. Other information Shuler attributed to another minister who has been attending the trial daily.

COOK COUNTY EMPLOYEES MAY GO MONTHS WITHOUT PAY

Chicago, Sept. 17 (AP).—It was semi-monthly pay day for 4,000 Cook county employees yesterday, but they didn't get paid. County Controller William J. Graham said he doubted if they would be paid for two or three months.

"Our pay roll of approximately \$400,000 fell due yesterday, but instead of mailing checks we locked the rolls up in the vault," Graham said. "Of course, the employees will have to be paid some time, but when nobody knows."

The county board Thursday will consider the plan of paying employees in scrip. In such a case employees would have to take their scrip to the bank and discount it for what the banks would offer. Judges, department heads and all technical and clerical workers are included in the list of 4,000.

The shortage in the corporate fund was explained by the Controller as being due to the 1928 reassessment, which not only has delayed tax collection but has resulted in valuations considerably lower than those anticipated by the budget makers. The county has borrowed and spent money in anticipation of much greater revenue than it actually will receive, Graham said.

IRELAND SETS EXAMPLE FOR THE UNITED STATES

Dublin, Sept. 17 (AP).—The Irish Free State, having turned most of its swords into plowshares and military barracks into dwellings, now is shutting up prisons or using them as broadcasting stations. Famous Kilkenny prison was closed some time ago, and now the historic jail of Kilmallock no longer is to be used as a prison.

While word comes from the United States that the prison population there is constantly on the increase, with bigger and bigger prisons always needed, the convict population of the Saorstait has dwindled from 1,859 in 1914 to 760 at present. Seven prisons now suffice for all the adult prisoners.

BOY SERIOUSLY INJURED WHEN STRUCK BY AUTO

Henry Kiernan, three year old son of Henry Kiernan of Davenport Center formerly of this city, was seriously injured Saturday afternoon at Davenport Center when he was struck by an automobile. The little lad received a fractured skull and his condition at the Fox Hospital in Oneonta was reported as critical. State Troopers are conducting an investigation of the accident.

Newburgh Blast Cost Life of One Man, Scores Hurt

Slight Hope Held for Ultimate Recovery of Thomas Van Gelder, Who Displayed Great Courage—Property Damage Expected to Amount to \$500,000.

Newburgh, N. Y., Sept. 17 (AP).—This Hudson Valley city fought its way back to normalcy today with the removal of nearly all traces of a sewer explosion which yesterday cost the life of one man, injured scores of other persons and caused property damage expected to amount to at least \$500,000.

William S. Greene, proprietor of a bookstore in which the explosion reached its greatest force, died last night in a local hospital. He had been hurled through a plate glass window and was injured internally.

Thomas Van Gelder, employed in the Greene bookstore, lingered in the borderland between life and death today, so seriously injured that hospital authorities declined to offer more than the faintest hope for his ultimate recovery. His right eye was removed at the hospital when it was found to have been penetrated by a splinter which pierced his cheek. In addition, Van Gelder suffered at least six fractures and was injured internally.

Fourteen others whose injuries were sufficiently serious to keep them in a hospital last night were reported recovering today. Most of the debris in the downtown section had been removed today and the boarded fronts of the Greene bookstore and the Meyers' millinery store alone remained to mark the scene of yesterday's tragedy.

Acting on the generally accepted belief that the explosion had resulted from the ignition of gasoline fumes in the sewer, the city council last night authorized the city manager to spare no expense in obtaining the advice of experts and following out their recommendation to prevent a recurrence of the disaster. A similar explosion a year ago resulted in considerable property damage but no one was injured.

The entire city today was talking of the fortitude displayed by Van Gelder, who was buried for two hours beneath the wreckage of the Greene store. Dr. Thomas Issner and Henry Wolf, a local police officer were the first to reach Van Gelder. Amid falling bricks and while the crowd outside the building shouted that the walls were about to fall, the two men worked over the unconscious victim. While Dr. Issner administered first aid, Wolf gradually removed the wreckage from Van Gelder's body.

Van Gelder recovered consciousness before he was removed from the shattered building and although Dr. Issner continued to work over him until he was removed to the hospital, bystanders said he uttered no cry of pain, his only query being one concerning the safety of his employer.

Jacob Siller Found Guilty

Jacob Siller of 22 East Union street, who was arrested last Tuesday evening on a charge of cruelty to animals, was found guilty after a trial in police court before Judge Shufeldt this morning. Siller was fined \$15, and the payment of the fine was suspended.

Siller was arrested when neighbors in the vicinity of 37 Ann street complained to the police. Sanitary Inspector N. J. Cook of the board of health was also notified and accompanied the police to the shed where it was alleged they found six cows with ropes tied about their snouts.

In police court today Siller was represented by Attorney Arthur B. Ewig while Judge Amos VanEtten, president of the Society for the Prevention of Cruelty to Animals appeared for The People.

METRO HAUSMAN SENT TO JAIL FOR 10 DAYS

Metro Hausman of East Pierpont street, who was arrested Sunday charged with disorderly conduct in using indecent language on the street, was found guilty after a trial in police court today and sentenced to ten days in jail.

Body of Marshall on Leviathan

Paris, Sept. 17 (AP).—The body of Louis Marshall, celebrated New York lawyer and Jewish philanthropist, was transported to Cherbourg today and taken aboard the United States liner Leviathan for transportation home. Mr. Marshall died at Zurich, Switzerland, last week.

Walker Loses Middleweight Crown

Chicago, Sept. 17 (AP).—Mickey Walker's title as world's middleweight champion was vacated by the National Boxing Association because of his failure to defend the crown since June, 1928. The N. B. A. demands champions defend their titles at least once every six months.

Another Bombing in New Orleans

New Orleans, Sept. 17 (AP).—A street car strike vandal threw a bomb at a city park street car early today but missed the car. The bomb exploded against an iron alley gate of a residence. No one was hurt. The bomb thrower escaped.

Man Arrested At Marlborough Admits Murder

Picked Up by State Troopers and Later Confesses to Strangling Mrs. Julia Quintieri in Her Bronx Apartment.

The man picked up at Vito Motise's farm near Marlborough by Sergeant John Lockhart and Trooper Baker Sunday evening on suspicion of being the man who strangled Mrs. Julia Quintieri to death in her Bronx apartment earlier that day, has confessed to the crime. Thirteen hours of questioning by detectives Monday finally broke down the denial of the man and he signed a confession. The man gave his name as Joseph Barbetto of 193 Fifth avenue, and stated that he had gone to the house Saturday night and had strangled the woman while her six year old son slept. Early Sunday he left the apartment and took the train from 125th street to Beacon, where he crossed the river to Newburgh. At Newburgh he attempted to establish an alibi by calling on a friend. He asked his friend to answer questions with a statement that he had spent Saturday night playing cards.

Later in New York the Newburgh friend denied the visit and the fact that they had been playing cards Saturday. He stated he had not seen the suspected man since June until he came to Newburgh late Sunday. From Newburgh the suspected man took a taxi to Marlborough and went to the home of his brother-in-law, where State Troopers and New York detectives located him.

Mrs. Quintieri had complained of forced attention from Barbetto and had stated that if she was found dead Joe Barbetto should be blamed. Barbetto has a wife and child in Italy, another wife and child in Brooklyn and another home in Manhattan.

LINDBERGH TO OPEN ANOTHER AIRMAIL ROUTE

New York, Sept. 17 (AP).—Colonel Charles A. Lindbergh, a man of many jobs, will leave tomorrow for Miami, Fla., to open another Latin-American airmail route.

As technical adviser to Pan-American Airways, he will make the first flight with mail over the company's new line, extending its service from Porto Rico to the Virgin Islands, Antigua, St. Lucia, Trinidad, British Guiana and Dutch Guiana.

He will be accompanied by Mrs. Lindbergh, a co-pilot, and a radio operator. If the mail load permits, several passengers will be taken. Colonel Lindbergh said he would take off from Miami on Friday and that the entire flight of about 7,000 miles would be made in 21 days with a one-day stop at Paramaribo, Dutch Guiana, and a layover of ten days at Cristobal, Canal zone.

44 AWAIT TRIAL FOR MURDER DURING ARAB-JEWISH RIOTS

Jerusalem, Sept. 17 (AP).—Forty-four Jews have been imprisoned in the citadel of Acre by the authorities to await trial for murder by pre-meditated shooting during the recent Arab-Jewish riots in which nearly 200 lives were lost in Palestine.

Full details of the case are not available but the 44 men were arrested in the flour mill at Haifa during the troubles there. Jewish relief workers are sending food to the imprisoned men, who are said to be in good spirits. Their release on bail was refused.

Palestine remains quiet with the Jewish population which suffered during the recent outbreaks mainly concerned with filing their claims petitions within the month time limit permitted.

TWO FACE POSSIBILITY OF DEATH SENTENCES

Chicago, Sept. 17 (AP).—Two young men, one 18, and the other 23 years old, faced the possibility of death sentences today following their pleas of guilty to two murders, assault with attempt to kill and a series of 75 robberies.

They robbed and killed, they told Judge Otto Kernor, to get money to "buy things" for their girlfriends. Robert Camy, 18, and Earl Nicholson, 23, were the prisoners. They said they started to rob last May and continued until their arrest last month with the two girls whose tastes for luxuries they held responsible for their crime careers.

Gas Line Under Hudson

A gas line extending more than a mile under the Hudson river from Beacon to Newburgh will be laid next week for the Central Hudson Gas & Electric Corporation, which is a pioneer in long distance pipe laying. The corporation laid a pipe under the Hudson between the same two cities in 1925. The new pipe is to be an eight-inch steel one and will be laid under the personal supervision of T. A. Corby of the Central Hudson.

Want Air Transportation Regulated

Kansas City, Mo., Sept. 17 (AP).—A proposal for the creation of a governmental body similar to the Interstate Commerce Commission to regulate air transportation was submitted to the National Air Traffic conference here today by Erie P. Halliburton, president of the Southwest Air Fast Express.

200 Fire Fighters Exhausted May Be Trapped As Heating Units In Oregon Fire On Busses Barred

Fire From Mount Hood National Forest Threatens Town of 2,000—15,000 Acres and Many Buildings Burned—Search for Fire Fighters.

Portland, Ore., Sept. 17 (AP).—An army of weary, sleepless men were stationed along the Cascade route in the foothills of the Cascades today watching the progress of a forest fire that in its erratic progress Sunday had blackened 15,000 timbered acres, destroyed six houses, a hotel, a school, a logging camp, two temporary forestry camps, trapped 200 fighters and sent one workman to a hospital violently insane.

The fire swept down from the Mount Hood national forest Sunday night and early yesterday a stiff southeast wind sent it roaring down the Clackamas river valley toward Estacada, Ore., a town of 2,000 population. Before its advance could be checked it had licked a 16-mile pathway through the forest to within five miles of the city limits.

Somewhere to the east of the fire line in what apparently had been a raging inferno Sunday night, when a strong wind whipped it into fury, the 200 fire fighters, headed by J. H. Sherrard, supervisor of the Mount Hood national forest, were either fighting new blazes or beating their way back to civilization.

Forest trails were blocked by fallen, smoldering trees. Roads which penetrated this district were strewn with ashes an inch deep in places and by great trees which went down under the fury of the flames. Special couriers, sent out from the Pacific northwest district fire office here, scoured the territory in search of the party. Officials said they believed the men were safe. All were experienced forest men.

Terrific heat from the wind-fanned flames which threatened Estacada yesterday sent Roy Van, of Estacada, a fire fighter, to a hospital here raving in what physicians said was a fit of temporary insanity.

Although Estacada residents feared the town might be wiped out only a few left the city with their belongings for Portland and other northern sections. However, in the rural districts, settlers hurriedly packed their household effects into trucks or set them in yards in anticipation of fleeing before the flames. Some abandoned their homes and went to Estacada. Others remained to fight the flames only to see their homes reduced to ashes.

Children perched themselves atop their homes with water buckets to watch advancing flames or recovered their school books from desks hurriedly removed from the burning school building. Livestock was herded into corrals preparatory to a swift run to places of safety.

Officials said that if a wind did not come up, the situation probably would be controlled before nightfall.

Talent Aplenty For the Kapers

Monday night the first rehearsal for the third annual "Kiwans Kapers" was held at the Masonic Club at Broadway and Henry street, and judging from the splendid array of talent on hand this year's "Kapers" will surpass the splendid shows of the last two seasons.

The show will be given at the Broadway Theatre Friday and Saturday nights, September 27 and 28, for the benefit of the Kiwanis Club charities. All rehearsals and the performances will be under the direction of Charles L. Adams, of the Harry Miller producing Co., of New York city. Mr. Adams is well known here, having produced two previous shows for the Kiwanis Club here.

This year's "Kapers", as outlined by Mr. Adams at last night's rehearsal, will be a big "revue" comedy in two big acts and fourteen scenes with a cast of over one hundred of the best singers, dancers and comedians in the city taking part. All new and beautiful scenery and costumes will aid in making this local talent offering look like a real metropolitan production.

Among the acts and scenes used in this year's "Kapers" will be such interesting sounding titles as "A Gentleman's Chest", "The International Lover", "Why Did I Do It?", "In the Naughty '90s", "Sending a Message from Harlem", and many others that sound equally good.

Rehearsals will be held afternoon and evenings from now until the show. Paul Zucra has charge of securing the talent and has been fortunate in securing all of the favorites of the last two "Kapers" together with some excellent new talent that has developed in the last year.

Tonight's rehearsal starts promptly at 7:30.

Explosion and Oil Fire in England

Hull, England, Sept. 17 (AP).—Thousands of gallons of oil were in full blaze this afternoon after an explosion had blown off the top of a tank containing 350,000 gallons. The explosion shook houses and factories in the vicinity and the fire which followed quickly spread to another tank containing 250,000 gallons of oil. The flames from the blazing tanks rose several hundred feet in height.

Results of Naval Negotiations Are Given to Public

A Matter of Three Cruisers Only Bar to Agreement Between United States and Great Britain—Negotiations Congratulated.

London, Sept. 17 (AP).—Great Britain through its press today hailed with approval the prospective Anglo-American naval agreement which Prime Minister Ramsay MacDonald caused to be outlined in detail to British journalists.

The official statement was the outstanding feature of today's newspapers, editorial writers declaring in effect that with such a narrow margin as three cruisers between the United States and Great Britain on the question of naval strength it was scarcely imaginable that complete agreement could not be reached. Congratulations to the American and British negotiators were repeated. The Times paid tribute to the "conciliatory attitude of President Hoover and the untiring tactfulness of Ambassador Dawes."

The official statement was the first really detailed and authoritative word the British public had had regarding the progress of the negotiations of the past three months. Great Britain desires fifty cruisers, divided into two categories, namely eight-inch gun and six-inch gun cruisers. Fifteen eight-inch and thirty-five six-inch gun cruisers would make a total tonnage of 330,000.

The United States wants 35 cruisers, 21 eight-inch gun carriers and 15 six-inch carriers, these vessels, having a larger tonnage than corresponding British units would give America 315,000 in tonnage.

Navy Board Once Agreed on 18

Washington, Sept. 17 (AP).—In insisting that the American navy fleet of 8-inch cruisers of 10,000 tons be limited to eighteen, the British government is taking the figures which once were arrived at by the American navy general board as representing the requirements of this nation.

These figures were put forward only a little more than two years ago at the naval limitation conference at Geneva. Britain opposed any 5-inch gun cruisers and it was upon that proposition in the main that the parley broke down.

Great Britain proposed as its minimum requirement in cruisers a total of about 450,000 tons. The United States objected to such a large tonnage and finally offered to limit its cruiser strength to 255,000 tons to be made up of eighteen 10,000-ton, 8-inch ships to be built, and the ten 7,500-ton, 6-inch ships then in commission.

There is no indication that the board has changed its viewpoint as to the necessary number of this type of craft. Great Britain has conceded this number in the present negotiations and the hitch now is on the proposition as to what type of ships is to be constructed to make up the 30,000 tons difference between the Geneva proposal of the United States and the present tonnage necessary to bring about equality between the British and American cruiser forces in 1936.

The board holds that the smaller cruiser equipped with 6-inch guns fails to meet American needs because of its limited cruising radius and its consequent lessened value as a force to combat commerce raiders or to take its place with the fleet during long range operations.

SLIDE STOPS WORK ON \$25,000,000 DAM

Azusa, Cal., Sept. 17 (AP).—Construction work on the foundation abutments for the \$25,000,000 San Gabriel flood control dam temporarily was at a standstill today and several months work had been set at naught by a slide of 100,000 cubic yards of earth and rock from a height of 400 feet into the west abutment foundation pit.

The landslide roared down over rocky shoulders of the mountain, causing a lowering of the entire mountainside from eight to ten feet, with consequent damage to water and power line.

Men and machinery and the workmen escaped being buried through the alertness of geologists and engineers, who last Sunday forecast the slide.

Engineers said the landslide was caused by "rotten" earth giving way as steam shovels notched into the mountainside for the feet of the big dam.

FOUR DEAD, THREE HURT IN AUTOMOBILE CRASH

Camden, N. J., Sept. 17 (AP).—Dorothy May Hickey, 14, of Ventnor, N. J., died in the West Jersey Homeopathic Hospital here today, bringing the death toll of an automobile collision last night on the White Horse Pike near Egg Harbor to four.

Three other persons were injured, one seriously. Lister's condition is said by physicians at the West Jersey Homeopathic Hospital to be serious.

H. P. Henning of Atlantic City, driver of the second car, was arrested and held without bail on a charge of manslaughter. His automobile is alleged to have swerved across the road, crashing into the other automobile. Both cars were demolished.

SEVERAL CASES OF TYPHOID FEVER AT BLUE MOUNTAIN

There are several cases of typhoid fever at Blue Mountain. Health Officer John C. Kamp of Saukerties and Dr. Frank Laidlaw, district health officer, have examined the situation regarding the Saukerties water supply and are satisfied that there is no cause for worry or alarm. As to the cause of the outbreak of typhoid fever in that locality, this has not been yet definitely determined.

BLOOMINGTON

Bloomington, Sept. 16.—Miss Beate Dent of Brooklyn is spending a few weeks' vacation with her aunt, Mrs. Jacquelin, of Bloomington. Mr. Dent and Howard Dent spent the week-end with Mrs. Jacquelin.

Miss Emma Ahlers of Brooklyn, after touring Europe and studying at Munich University, spent the week-end with her aunt, Mrs. Merrill of Bloomington, before entering upon her duties as musical director in the Pershing Junior high school, in Brooklyn.

Mr. and Mrs. John Merrill have been entertaining the following guests: Mrs. E. J. Galloway, Mrs. C. Knudsen, Mr. and Mrs. Joseph S. Fabregas and daughters, the Misses Dorothy and Marjorie Fabregas, Miss Katherine Ogelsie and Miss Elizabeth Galloway, all of Staten Island, Mr. and Mrs. Alfred Schwager of New York, Fred Ahlers and the Misses Grace and Anna Mandracchia of Brooklyn and Miss Teresa DeGrace of Long Island City. The guests spent their time in playing tennis, croquet, hiking, bathing, boating, singing and dancing. They have been enjoying the fresh vegetables out of Mr. Merrill's garden. All agree that the "Bertanjon" is the place to spend a vacation. A number of the guests have returned home. Mrs. Merrill's mother, Mrs. E. J. Galloway, Miss Elizabeth Galloway and Mrs. A. Knudsen, after spending three weeks return to their homes on Friday.

Mr. and Mrs. Joseph S. Norton and family, who rented the Bloomington Villa for the summer, left on Saturday for their home in New York City.

Mr. and Mrs. George L. Kind and son, George, Jr., and Mrs. George Cogswell of Boston, are spending their vacation with Mr. and Mrs. Charles Markle and with Mrs. Nettie Cross and father, Joseph Smith.

Mrs. A. Lewis and children are spending a few weeks with her parents, Mr. and Mrs. Charles Hult.

Mr. and Mrs. Charles Markle and family spent one day recently with their nephew, John Markle and family of Atwood.

Mr. and Mrs. Falattis have purchased a fine cow and also a number of ducks.

Mr. and Mrs. Willis DuBels of Kingston spent the week-end with Mr. and Mrs. Terhune.

Mr. and Mrs. David Winter and Mr. and Mrs. L. C. Terhune motored to Albany on Wednesday evening, leaving Kingston at 6 o'clock. Mr. Winter treated to the ride, it being his birthday. They had a fine dinner on reaching Albany.

Mrs. E. L. DeGraff visited Mr. and Mrs. Shader of Kingston on Saturday and took in the barbecue at Forsyth Park.

Miss H. S. Douglass is entertaining friends from Brooklyn for two weeks. The Missionary Society will hold its regular monthly meeting on Thursday afternoon at 2 o'clock, at the home of Mrs. Elmer Bundy. Leader will be Mrs. Anna Leifer, hostesses Mrs. M. Porter and Mrs. Robert Van Etten. New members and visitors always welcome.

Bitter Factional Fights in Queens

New York, Sept. 17 (AP).—Interest in New York's city primary today centered in the borough of Queens, where bitter factional fights among both Democrats and Republicans have been waged.

No contest in the regular Democratic party for mayor made Mayor Walker's renomination a formality, as were those of other organization candidates.

Workers for Congressman Fiorello H. La Guardia predicted an easy victory for their candidate, running on a Republican-fusion ticket, over William M. Bennett, Republican, whose platform is a promise to close drinking resorts in the city. Bennett, however, predicted he would win by 30,000.

In Queens, Borough President George U. Harvey was faced with a fight with the regular Republican organization, whose candidate is John L. Karie, former state senator. Three Democrats were in the field for the nomination for borough president.

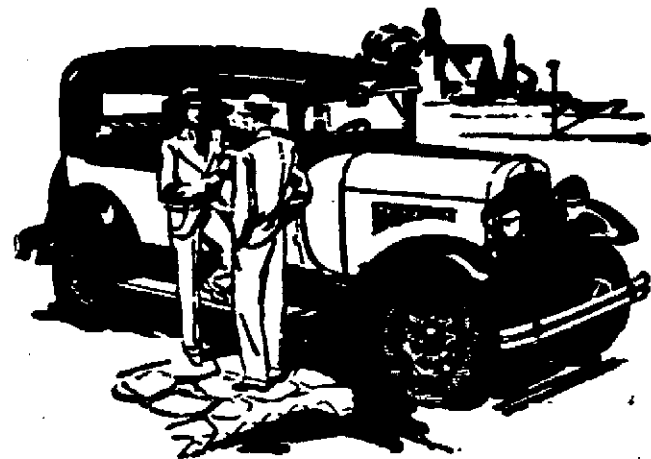

Harvey, who wrested the presidency from the Democrats after the exposure of the \$6,000,000 Queens sewer graft, declared in last-minute speeches that his renomination meant the end of the regular Republican organization led by Joseph H. DeBragga, county chairman.

Bernard M. Patton, one of the contestants in the three-cornered, Democratic fight, was appointed to fill the vacancy made by the resignation of former Borough President Maurice E. Connelly, sentenced to prison in the sewer contract graft case. He was defeated last year by Harvey.

Other mayoralty candidates are Richard Enright, former police commissioner, seeking the nomination of the Square Deal party and Norman Thomas, Socialist.

Thousands are saying

"HERE IS A REAL AUTOMOBILE"

Thousands of Oldsmobile owners, prompted by their enthusiasm for Oldsmobile's remarkable abilities in every phase of performance—their enjoyment of its luxurious riding qualities—their knowledge of its dependability and general thoroughbred behavior—have voluntarily written their appreciation to the Olds Motor Works.

Read what they say—their reasons for buying—and why they are glad they bought Oldsmobiles.

From Milwaukee, Wisconsin:
"I was first attracted by Oldsmobile because its general characteristics appealed to me, and our Chief Engineer—a very discriminating buyer—drives an Oldsmobile. I like its powerful and quiet-running motor, easy steering, smooth flow of power at all speeds, sturdy construction and general good appearance."

From Sausalito, California:
"With the protection you give your motor, it looks good to me for 40,000 miles without a major repair. When I selected my car I discovered that other cars in Oldsmobile's price range had some of the features I wanted, but Oldsmobile had all. It looks like more value to me. It has wide doors and plenty of leg room in front and rear of sedan. Such things as twin-beam headlamps, fuel pump, and radiator shutters helped to sell me. Also the fact that it is made by a reliable firm. And the way Oldsmobile sales are jumping shows that others think well of it."

The VIKING

—the new 30-horsepower V-type Eight at medium price—built in the Oldsmobile factory, by Oldsmobile craftsmen, and sold through Oldsmobile dealers. At \$1795 for all models, f.o.b. factory, Lansing, Michigan, it is an outstanding value in its field as the popular Oldsmobile Six, the fine car of low price.

Such things as twin-beam headlamps, fuel pump, and radiator shutters helped to sell me. Also the fact that it is made by a reliable firm. And the way Oldsmobile sales are jumping shows that others think well of it."

If you wish to hear this enthusiasm expressed at first hand, talk to Oldsmobile owners in your own community. Then drive the car yourself... put it through all its paces... and you'll know why Oldsmobile owners are so outspoken in their praise.

TWO DOOR SEDAN Consider the Delivered Price
\$875 Consider the delivered price as well as the low price when considering automobile values. Oldsmobile delivered price includes only reasonable charges for delivery and financing.

J. A. B. factory, Lansing, Michigan. Spare tires and bumpers extra.

400-Pound Oyster From South Seas, Where These Great Shell Creatures Grasp and Drown Divers.

Huge, Winged, Spike-Tailed, Cap-Headed, Sharp-Toothed Specimen Unidentified by Oldest Sea Men.

P. T. Barnum's Mermaids—Sea Horses—Flying Fish—Man-Eating Shark—Porpoise—980-Pound Leatherback Turtle—Alligators—Crocodiles—Bear, Porcupine, Angel, Balloon, Cow, Bat and Trigger Fishes, and Hundreds of Other Interesting and Wonderful Specimens From the Seven Seas.

Featuring Florida's Sensation of All Marine History

DEEP SEA MONSTER

As you walk around this mightiest of all deep-sea water-breathing fishes, with a back that towers above your head, you see in detail the most colossal creature of the fish tribe.

The throat is large enough to swallow a sugar barrel and two men at the same time. Its great fins and flippers are of enormous proportions and the tail measures ten feet from tip to tip.

You see the huge mouth through which it gulped down, as food, such things as a devil fish, an octopus and a black fish, all strictly deep-sea creatures.

You see the actual, identical monster that fought for 33

Forfeit of \$1,000 if reality of monster cannot be proved by Smithsonian Institute of New York Aquarium.

hours before it was landed through the use of harpoons, steel lines and side bullets. The colossal, sensational fish that dragged three men in a boat for many miles in the open sea. You hear of how it wrecked a ship, tore down a pier and smashed a dock in its effort to escape.

NOT A MOVING PICTURE. BUT THE GENUINE, REAL SENSATION OF THE MARINE WORLD.

RARE RELICS OF PIRATE DAYS

Notorious Blackbeard's Famous Cannon, "Big Betty," that wrought death and destruction for many years. A novel feature is Capt. Kidd shown in his last hours of life, true to a thrilling historical incident. See him surrounded by his old-time Flint-Rock Pistols; Boarding Cutlasses and his actual Bullet-and-Saber-Proof Coat of Mail, and many other weapons of Pirates.

Open 9 A. M. to 9 P. M., Standard Time. Adults, 25c; Children under 12, 15c. Guides and Lecturers escort visitors through vessel and explain about everything shown on its two decks.

Great Britain Favors Check on Dangerous Drugs

Dainty Surplice Dress
Smart for Old or Young

Geneva, Switzerland, Sept. 17.—The British delegation at the League of Nations assembly today presented a proposal which is regarded here as marking a great advance in the fight to limit manufacture and check illegal traffic in dangerous drugs.

The proposals, designed to bring about an international agreement on the control and limitation of production of heroin, morphine and cocaine, were regarded as representing a complete reversal by the government of the late Baldwin's government's attitude on the question.

The Conservative government had declined to enter an agreement seeking to limit the manufacture of narcotics and today's pronouncement was hailed as a great victory by those interested in the control and suppression of illicit traffic in narcotics.

The British recommendation is that the League Council invite the government of countries in which narcotics are manufactured to confer together as to the possibility of reaching an agreement on the total amount of each of the various forms to be manufactured annually and as the quota of each that these countries should manufacture.

The resolution further suggests that the League's Advisory Committee on opium continue to study the question "more particularly with reference to steps that would be necessary in the event of factories being established in countries not at present manufacturing these drugs."

The new attitude adopted by Great Britain brings her into accord with the attitude of the United States, Canada and Italy. Most of the governments concerned have indicated approval of proposals regarding the move toward limitation. Germany and Switzerland announcing their support today.

By the British resolution initiative calling a conference of the states is placed in the League's Council.

Ladies Will Be Welcomed

Chairman Morton Lown and members of the committee in charge of the Kingston end of the forthcoming "get together" dinner of the Round Valley Chamber of Commerce and the organizations representing Kingston's business and professional men, are emphasizing the fact that the ladies are included in the invitation and will be welcomed by the Governor Clinton on the evening of October 1.

Another point emphasized is that participation in the dinner is not limited to membership in any particular organization, but that any interested in the welfare of Kingston and the Round Valley may feel free to join the gathering and take part in this epochal event.

It is reported that the interest and enthusiasm over the coming convention and dinner is strong in Ellenburg and the Valley towns and that, even favorable weather, a large attendance from that section may be expected.

The Kingston committee is busy at work on plans for the big time, in operation with Manager Gross of a Governor Clinton, who may be depended upon to uphold his end of a program in a manner that will reflect credit not only on the committee but upon the hospitality that is showing such a fine reputation these days.

A further meeting of the committee will be held on Tuesday, September 24, when final details of the affair will be settled.

BROKEN NECK CAUSES AGED MAN'S DEATH

Joseph Liberty, aged 60, of Newburgh died there early Monday morning of a broken neck received when he either fell or jumped from the third story of the Berkelhamer hotel on Broadway. Liberty, a French-Canadian, was a roomer at the hotel. He had lived in Newburgh for approximately 30 years and was employed at the Fabrikoid factory. It is said he had been acting in a peculiar manner of late.

Represents Japan at Conference.

Tokyo, Sept. 17 (AP).—Japan's first step in the new movement for naval disarmament was announced today when the navy minister, Admiral Yamamoto, ordered Commander Tamiya to proceed to Washington to join the Japanese embassy staff there, preparatory to the proposed conference on naval limitation. Commander Yamamoto will sail from Japan tomorrow.

Madame Curie to Dedicate Hall.

Canton, N. Y., Sept. 17 (AP).—Madame Marie Curie, of France, discoverer of radium, will dedicate the Heppburn Hall of Chemistry here on the latter part of October, according to an announcement today by St. Lawrence University faculty officials. Her visit here will be one of five appearances at universities of scientific importance in the country.

WANTED

The Wonderly Co.

315 WALL ST.

Although designed with the older woman in mind this trim surplice dress is smart for old or young. It would be attractive in the new cotton material which looks like wool. The fact that it is cotton makes it a comfortable garment to slip on about the house, the tweed-like style makes it suitable to wear under the topcoat right through the fall. Like so many of the little wool dresses in which Paris delights there is a white pique collar to give the proper lingerie touch.—Woman's Home Companion.

Princess Lines Liked as an Evening Fashion

The princess contour is an established evening fashion, and the wrap which protects it has a way of indicating the figure as well. It is frequently a short wrap, which enhances the charm of the long flaring skirt. In a fabric sense it also clings, and among the newer materials are those which are metallic in finish.

Of course, so much talk of Spanish fashions causes one to have a renewed confidence in the shawl, but nevertheless it is the cape and short coat type which marks the evening wrap of this vintage. Taffeta has a way with it that inclines it to great favoritism this season. It suits the flaring lines of the moment and has sufficient crispness to suggest the stand-alone quality which comes again into fashion. Notwithstanding this tendency, velvet is most apparent, pliable chiffon velvets find favor especially for molded gowns and the accompanying wrap-around coats which may or may not be in related colorings.

Cape Is Favored Wrap of Season's Fashions

In the opinion of several authorities it is the cape, rather than the coat which registers as most interesting this year. Capes, like coats, are any length the wearer sees fit to have them. They are seen as often for evening as they are for motoring or for sports generally.

Tweeds and novelty fabrics including patterned jerseys, and a vast number of attractive knitted materials, are used for the out-of-town sports suit. Plaids and checks have high rating. The practice of using contrasting materials is very general in sports as well as in all phases of fashion.

From the Riviera comes a sensational report of the appearance of "patchwork" jackets. These are made of striped jersey and are designed to be worn over tennis dresses which are sleeveless, as were those worn in our own resorts.

Fashions in Dress Not Everything in "Style"

We are prone to think of fashion as having to do merely with matters of dress, and the word "style" suggests to most of us the mode of dress, hats, shoes, stockings, jewelry, or hair arrangement. But there are women whose style of speech sets at naught the good style of their dress, and whose gestures and carriage discount the painstaking attention they have given to the fashion of their clothes. It is possible to have one's hair cut in the latest and smartest mode, and still be ten years behind the times in conversation. The line of your dress may be beyond reproach—the last word in chic—yet the line of your small talk may be as out of date and as sadly in need of renovation as a year-before-last dress.

Tailor-Mades of Tweed Promise to Be in Mode

Black and white tweed mixtures, with hats and handbags to match are expected to be standard tailor-mades for fall. Skirt and long coat suits are prophesied as the successors to short jacket suits of summer. Coats, it is said, will be on straight lines, some will be devoid of frill trimming and others will boast deep sleeve ornamentation and wide shawl collars of flat or curled fur.

Royal Vanity

England's Queen Elizabeth left 3,000 different dresses in her wardrobe when she died; and during many years of the latter part of her life would not suffer a looking-glass in her presence lest she notice the ravages of time on her face.

If It's the Better Type Drapery—We Have It!

Primary Polls Open Tonight

Today was Primary Day, and the vote cast throughout the city during the early hours was very light. The polls opened at noon and will remain open until 9 o'clock this evening. As there are no contests in either the Republican or Democratic parties the vote is expected to be small with but little interest manifested in the outcome. Only enrolled voters can vote at the primaries.

SEEK SOURCE OF OIL FILM THAT CAUSED FIRE

Portland, Me., Sept. 17 (AP).—Fire officials today were seeking the source of an oil film which was credited with having caused last night's \$400,000 waterfront fire. The blaze destroyed a large sulphur warehouse containing 22,000 tons of the mineral, damaged the Collier Plymouth of Boston, burned 13 railroad freight cars and sent 13 firemen and volunteers to the hospital overcome by smoke.

Chief Seaborn of the Portland fire department, said that the oil, floating on the water near the wharf of the Portland Terminal Company, was ignited by a spark from a hoisting engine.

Primary Polls Open Tonight

Vessels are prohibited by law, he said, from emptying oil tanks or bilge inside the harbor limits. The Plymouth, with two lifeboats destroyed, deckhouse and pilot house damaged and port side plates scorched and bent from the blistering heat, is anchored in the harbor. She was cut loose and nosed into midstream by two tugs as flames enveloped her superstructure. Members of the crew, whose actions had bordered on mutiny in their frantic endeavors to flee while the craft, with disabled engines, was tied to the wharf, today were busy repairing the damage. Ship's officers had been obliged to drive some of them away from the lifeboats with hose nozzles.

SEEK SOURCE OF OIL FILM THAT CAUSED FIRE

Portland, Me., Sept. 17 (AP).—Fire officials today were seeking the source of an oil film which was credited with having caused last night's \$400,000 waterfront fire. The blaze destroyed a large sulphur warehouse containing 22,000 tons of the mineral, damaged the Collier Plymouth of Boston, burned 13 railroad freight cars and sent 13 firemen and volunteers to the hospital overcome by smoke.

Chief Seaborn of the Portland fire department, said that the oil, floating on the water near the wharf of the Portland Terminal Company, was ignited by a spark from a hoisting engine.

CLOVE HIGHWAY IS NOW OPEN FOR TRAFFIC.

The state highway through the Kaaterskill Clove, from Palenville to Haines Falls, is now open on both sides, the concrete pavement having been completed. The workmen are still busy constructing the shoulders, erecting fences and building retaining walls. This work will require several weeks to complete. Operations, however, do not impede traffic in any way.

VALLEY FIREMEN CONVENTION TO BE HELD IN RENSSLAER.

The 1930 convention of the Hudson Valley Volunteer Firemen's Association will be held in Rensselaer on June 17, 18 and 19. It was decided Saturday at a meeting of the board of directors at Hudson.

Nurses Meeting at Benedictine.

The New York State Nurses' Association, district No. 11, will hold a meeting at the Benedictine Hospital Nurses' Home on Friday, September 20, at 2:30 p. m. All nurses of the district are invited to be present.

Turkey Dinner at Hurley.

The Ladies Aid Society of the Hurley Reformed Church will give their annual turkey dinner on October 30, in the basement of the church.

Food Sale and Tea.

Circle No. 1 of Trinity M. E. Ladies' Aid Society, will hold a food sale and tea on the afternoon of Wednesday, September 25, from 2 to 5 o'clock, at the home of Mrs. Henry Eldridge, 38 Staples street. The ladies of this Circle, which is composed of all those whose names commence with the letters A to F, inclusive have charge of the candy booth at the coming annual fair and turkey dinner to be held November 6. All members of the Circle are asked to contribute liberally with articles of food, etc., as the funds received will go toward the candy booth at the fair. All the ladies and friends of the church are invited to the sale and tea.

Girl Swimmer a Hero.

Anna Pasco, 15 year old Catskill girl, saved four-year-old Salvador Petrianni of the same place from drowning in the Hudson river on Saturday afternoon. The boy fell overboard while playing near the river and had gone down twice before Anna dived into the water, fully clothed, and rescued him.

A Pouchhookie Card Party.

A card party will be held at the St. Ursula Academy on Grove street on Monday evening at 8 o'clock. A pleasant evening is promised all who attend.

Named Chief of Army Engineers

Washington, Sept. 17 (AP).—President Hoover today appointed Brigadier General Lytle Brown of chief of army engineers to succeed Lieutenant General Edgar Jadwin, retired. Brown will receive the rank of major general for a term of four years from date of acceptance of the post.

He was born at Nashville, Tenn., November 22, 1872, and was appointed from that city to the military academy in 1894. He was graduated in 1895.

Brown served in the Spanish-American War with the engineers in the Santiago, Cuba, campaign, and in the battle of San Juan Hill and the battle of San Juan.

He also has held many posts of honor with the engineering corps.

Earthworm Species

Dew worm is the name given in England to the most common species of earthworm. The name arises from the fact that these worms come to the surface when the earth is damp, as in the morning by dew.

Matters Before The Surrogate

Gustina Sparks, wife, who is named as executrix, is the sole executrix of her husband, George H. Sparks, Shavagunk, whose will has been admitted to probate in Surrogate's court. Letters testamentary have been issued to her. The maker died at Wallkill, July 24, 1929, and the will was executed on April 19, 1924. The value of the estate is given as \$11,000 personal. John N. Vanderlyn, New Paltz, is attorney for the petitioner.

The value of the estate of Frederick Henry Quail, Surrogate, admitted to probate in Surrogate's court, is given as \$5,000 real, \$100 personal. Letters testamentary have been issued to Louise E. M. Quail, wife, she being named as executrix and is the beneficiary. Will was executed May 16, 1924, and maker died April 7, 1927. Grant M. Brindler, attorney for petitioner.

N. D. J. Murphy, Kingston, is petitioner for letters of administration in estate of Edward Rush who died intestate. Value of estate is \$750 personal. Decedent died at Middletown, Orange county, May 10, 1928. Walter J. Miller is attorney for the petitioner.

BARBECUE AND BALL PLAYERS WERE BOTH "SOOTY" IN 1907

West Shokan, Sept. 16.—Local Masons who attended the barbecue at Forsyth Park on Saturday proclaim the affair to have been a big success. The food was well cooked and delicious, quite in contrast to the big army style barbecue which was held in 1907 at Crispell's Grove under the auspices of the then famous Shokan Baseball Club, when the carcass of large western steer was roasted by revolving it over a pit of glowing coals for nearly twenty-four hours. The inside of the critter was stuffed with dressing, which when it became heated soured the whole carcass, rendering it almost totally unfit for serving. There were also great kettles of pork and beans, cooked in genuine army style, most of which was also wasted. This was probably one of the largest events ever staged in the town and it is estimated that the attendance was around two thousand people. The Shokan boys, too, were evidently sootied that August day as they played a double headed with the Windham team and lost both games.

SHANDAKEN.

Shandaken, Sept. 16.—The Shandaken unit of the Home Bureau held their annual fall picnic in the grove of Walter Prior at Allaben on Thursday, September 12. A goodly number were present. Luncheon was served at noon, after which the business meeting was held and the following officers elected: Mrs. F. S. Osterhout, chairman; Mrs. John Ennst, vice chairman; Mrs. F. M. Cleveland, secretary; Mrs. Ward Hummel, treasurer. It was voted that the officers attend the officers training school at Kingston on September 19. After giving Mr. and Mrs. Prior a vote of thanks for their kind hospitality, the meeting adjourned.

The regular prayer service will be held in the M. E. Church on Wednesday night, conducted by the pastor, after which the official board will hold a short meeting.

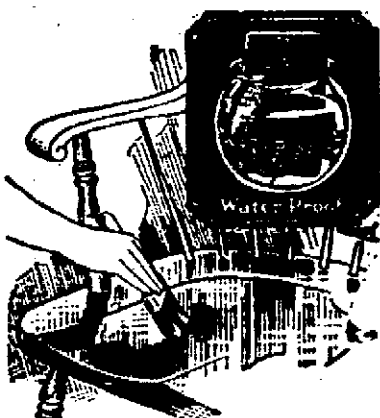

The Christian Endeavor Society will hold their monthly business meeting in the church hall on Friday evening, September 20.

Mrs. Claretta Scudder is visiting friends in Oneonta.

Miss Maretha Dutcher, who has been visiting friends here, has returned to her home in Oneonta.

Miss Helen Knight and Miss Esther Olmstead have entered the Methodist Hospital in Brooklyn for training.

Mr. and Mrs. Charles N. Wheaton and son, Warren, who have been occupying their summer home, have closed their cottage and returned to their home in Nutley, N. J.

GAS BUGGIES—Rocks Ahead?

Scenic Motif In Evening Coats

A sixteenth century tapestry inspired the winter wrap at the right. The Medici collar fits snugly against the head. At the left is a model in rose and silver brocade with flower design. Note how the flared skirt dips longer at the back.

Eleanor Gunn Says

That molded coat lines are expected to be good for fall.

Lavish fur trimmings and uneven hemlines are also cited as important coat features.

Corsets or a one-piece fitted foundation are necessary in order that the new line may be properly presented.

Extreme dress lengths are advocated for evening with modifications of this ruling for day wear.

Dahlia and all-violet and purple shades are exploited for evening.

The knitted costume is foremost at Deauville.

Scarfs remain a most important accessory and belts are very much in evidence, placed in deference to the new raised waistline.

Not only lisle and wool sports hose, but sheer silk ones for evening are

taking on novelty features such as open work stripes plus embroidered dots, clocks and other details including net.

Panne velvet is talked of with interest in exclusive circles.

Hats are shallow in the crown and continue to frame the face.

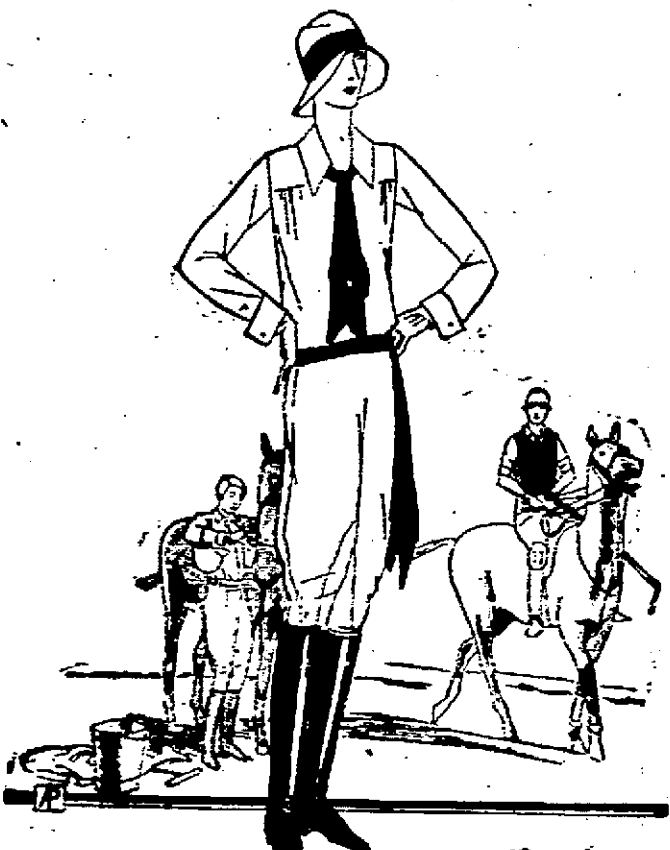

Tulle over flowered taffeta is presented for evening by Norman Hartnell, who also completes a tweed ensemble, with a flannel shirt rather than the more customary sweater.

Coarse mesh net is in great favor.

(Copyright, 1929, by United Feature Syndicate, Inc.)

WOODSTOCK.

Woodstock, Sept. 16.—The Lydian Society of the Woodstock Reformed Church held its regular monthly meeting on Wednesday, September 11. The Society was entertained by Mrs. Newgold in her new home, the Colony, on the Rock City Road. Thirty members were present and after the business meeting all in attendance enjoyed a very pleasant social hour in the very beautiful new building.

Some of the riders over here go outless in summertime. Redfern designs a habit of infernal coolness which has a silk shirt, light silk cravat and white breeches.

ELEANOR GUNN ON FASHIONS

MISS AMERICA'S REACTION TO NEW SILHOUETTE IS FAVORABLE

New York.—The reaction to the new silhouette, the lengthened skirt and the abbreviated coat seems favorable. The changes in costume from last to this season are nothing short of drastic and no one quite subscribes to the theory that they will be accepted without modifications. It is going to be just about impossible however to make last season's clothes look like anything but last season's clothes! There are indications at smart events hither and yon that women are welcoming the new mode and meeting it at least half way. There is some balking at the raised waistline, and a bit of a grumble at the thought of a restrained figure, but no open rebellion is indicated.

Deauville sets its seal of approval again on knitted and jersey sports togs with tweed by way of variety. Tweed starts off the season with a great burst of speed since it was highlighted at all smart collections, alone or trimmed with such furs as are not too luxurious for sports.

A very definite tendency toward ultra feminine fashion continues to be evidenced. Hats have taken on soft and flattering lines, and while shallow in the crown, and brow revealing make up in the softness of their brim for these rather trying features. There is also the tendency to use soft materials, notably velvet which is exceptionally flattering to most women. The discreet use of a novelty feather, or a handsome pin is the compromise in trimming. Later on when the fur trimmed coat, and the fur jacket are on parade one may expect to see fur trimmed hats as well.

Fur collars are sizable, and have a tendency to stand about the throat, while cuffs register again and are related in some wise to the collar shape or treatment. The use of contrasting furs on a single garment is one of the more extreme fashions attempted.

Antelope heads the list of smart bag fabrics which include the tweed bag to match the ensemble, and of course leather. The tweed and tricot hat is a consistent note for the tweed ensemble completion. That the tweed ensemble cannot be over played in the presentation of fashion all stylists appear to agree.

The entrance of coarse, and sometimes embroidered net into the winter picture has been welcomed not only for variety's sake but because it is extremely effective media for the presentation of the new line. Hartnell builds his net evening frocks on foundation of flowered taffeta which is a new note.

In spite of the fact that so many fabrics contribute to evening collections, chiffon remains entrenched. Satin to say nothing of panne velvet comes in for generous praise.

(United Feature Syndicate, Inc.)

Mahogany Imports

Mahogany logs used in the United States come primarily from British West Africa and secondarily from Central America.

wonderful
macaroons!

There's a recipe on every package of Rice Krispies that makes the best macaroons you ever tasted! Rice Krispies is the new cereal that's making such a hit. Toasted rice—so crisp it crackles in milk or cream. Serve it for breakfast—and lunch or supper too. At grocers. Made by Kellogg in Battle Creek.

Kellogg's RICE KRISPIES

OUR DAILY PATTERN.

A PLEASING SCHOOL FROCK 6558. The front of this model is in two pieces. It features a diagonal

closing above a group of plaits. The back is in one piece. The sleeve a fitted model is finished with a deep cuff, that matches to the round collar. Light weight woolen, tweed or crepe, would be a pleasing development for this model. Collar and cuffs may be of lawn, organdy or of crepe, or may be a plain woolen in a contrasting color.

The pattern is cut in 4 sizes: 6, 8, 10 and 12 years. To make the dress for a 12 year size will require 2 1/2 yards of 36 inch material. For collar, cuffs and belt of contrasting material 3/4 yard 36 inches wide and cut crosswise is required. To finish as illustrated with bias binding requires 2 yards 1 1/2 inches wide.

Pattern mailed to any address on receipt of 12 cents in silver or stamps.

A pattern of this illustration mailed to any address on receipt of 12c in coin or stamps by the Pattern Department, The Freeman, Kingston, N. Y. Be sure to state the size wanted.

Fashion Book Notice.

Send 15c in silver or stamps for our Up-to-Date Fall and Winter 1929-1930 Book of Fashions, showing color plates, and containing 500 designs of Ladies', Misses' and Children's Patterns, a concise and comprehensive article on dressmaking, also some points for the needle (illustrating 20 of the various, simple stitches) all valuable hints to the home dressmaker.

442 of the 451
important Hollywood actresses
use Lux Toilet Soap

BETTY BRONSON, Warner Brothers' star, in the luxurious marble bathroom built in Hollywood just for her charming youthfulness. She uses Lux Toilet Soap not only in her bathroom, but in her dressing room on location—wherever her pictures are being made.

The next time you see her in a close-up, notice how smooth this daintily fragrant white soap keeps her skin.

She says about Lux Toilet Soap: "A star must have smooth skin for the close-up. I find this lovely soap is wonderful for my skin."

Betty Bronson

"SMOOTH SKIN is a perpetual attraction," says Allan Dwan, famous director—and sums up what 39 foremost Hollywood directors have learned from the movies.

"The kind of rose-petal skin which can pass the test of the close-up is the kind of beauty that gets the American public every time," he goes on to say.

It is for this reason that 9 out of 10 screen stars use Lux Toilet Soap. They have found that it keeps their skin satiny and soft—always. And all the great film studios have made this white fragrant soap the official soap in their dressing rooms.

Luxury such as you have found only in French soaps at 50¢ and \$1.00 the cake

10¢

JOSEYNA RALSTON, beautiful screen star, says: "A screen star must have utterly smooth skin for the camera. I find that Lux Toilet Soap keeps my skin beautifully smooth and soft."

GOTHAM IS CITY OF THE MISSING

More Than 23,000 Persons Disappeared in New York Last Year.

New York.—More than 23,000 persons were sought as missing in New York city last year, according to the annual report of the missing persons bureau of the police department made public recently. This is the highest number of cases reported by the bureau since its inception, according to Inspector Joseph Donovan, temporarily in charge of this phase of the police work.

The figures for the current year, however, point to the establishment of a still higher record for 1929, bureau officials said recently. More than 12,000 persons have been reported missing so far this year, they said.

An analysis of the report shows that of the 23,147 actual cases reported for 1928, 22,420 cases were successfully concluded. This gives the missing persons bureau the excellent record of 97.02 per cent average of success. Inspector Donovan pointed out that the average rate of success in this work usually comes near 80 per cent.

17,050 Are Located.

The recapitulation of all the cases in the report divides them into those originating within New York city and those coming from other cities. On this basis the 1928 report reveals that 17,458 men and women from the five boroughs vanished. The missing persons bureau located 17,050 of these in various parts of the world. The remainder of the 23,000 for last year were handled either as unidentified dead or were reported to the bureau from out of town police departments. Of the 844 unidentified persons found dead within the environs of New York last year, 713 were identified.

The missing persons bureau located 4,857 persons who ran away from homes outside of this city. A total of 4,745 out of town cases were turned over to the bureau during the year. This leaves only 88 unaccounted for. Trained 200,000 Runaways.

The actual work of the bureau is handled by Capt. John H. Ayers with a staff consisting of 37 men and 6 women detectives. Captain Ayers assumed charge of this work in 1918. Since his induction into office he has handled more than 200,000 runaways.

The totals in the report do not include criminals and fugitives from justice who are being sought by the police department on various charges. The persons in whom this bureau is interested are criminally inoffensive. The police interest in them is limited to merely locating them for harassed relatives and finding out why they ran away, Inspector Donovan said.

"Many of the runaways have tried to get away from their poor environment," Inspector Donovan pointed out. "They are in many instances children who have rebelled against a too rigid discipline by their parents or forced to flee overcrowded housing conditions of the poorer sections of the city. In about 60 per cent of the cases they return of their own volition, having found that paddling their own canoe in strange waters was too severe a task."

"The summer months always show a higher number of runaways. The heat probably stirs their wanderlust. In the case of runaway children, the parents are often at fault because they forget that children require a certain amount of liberty."

Pays for Stolen Meal by Cleaning House

Trinidad, Colo.—The fabled thief of story and myth was in evidence here at the home of Mrs. Roger Albo.

When Mrs. Albo returned from a shopping tour she noticed that someone had visited her home. She was more than surprised to find the dishes washed, the floor swept and things in general tidied up.

Making an investigation she found this note:

"Dear lady:
"Ate a little grub as I was broke. I did not touch anything else in the house, but cleaned it up a little as a matter of returning a favor. I thank you very lots.
"A HUNGRY MAN."

Starts Prairie Fire

Red Bluff, Calif.—Eugene Hardy turned his pocket inside out when it caught fire from a match. Embers dropped to the dry grass on his grandmother's range land near here and the whole field blazed up. Firemen put it out.

New York Village

Outlaws Airplane
Pelham Manor, N. Y.—The board of trustees of this village has outlawed the airplane.

The board passed the following ordinance recently:

"The construction on or use of any property in the village for an airport, aviation field or other similar project or for the commercial development of airplanes, seaplanes, dirigibles or other flying devices is prohibited."

7 W. STRAND. CALL 2808.

For Prompt and Courteous Service

WEST SHOKAN

West Shokan, Sept. 16.—The two week-end rains were very much appreciated and of sufficient quantity to slightly raise the flow of the streams.

Never before in the memory of old timers have the mountains so vividly shown the effects of drought in early September; the deadened trees over the dry and rocky ridges present a striking contrast to nearby sections where there was sufficient moisture to maintain the green coloring of the leaves.

Mr. and Mrs. John Thompson and family of Clinton Corners, Dutchess county, were Sunday visitors at the Constable home at West Shokan Heights.

The Sunday afternoon service held at the Baptist church was very well attended. The Rev. Mr. Ahrens delivered a masterly sermon from an impromptu text, selected by vote of the congregation.

A number of local Odd Fellows attended the meeting at Tonzore on Saturday night.

Jordan Brothers of Brodhead report a good crop of buckwheat. The yield was about 80 bushels.

Uncle Jake Crispell of Shokan is not feeling so well of late and was unable to attend the picnic on Labor Day. His absence was noted by many inquiring friends.

Professor Condon in company with Samuel Cassolina enjoyed a Sunday visit to Riverby, home of the late John Burroughs, the famous naturalist, at West Park. They were shown about the place by Mr. Burroughs' son, including the interior of Slabside, the cabin in which the great naturalist did much of his writing. Also a book of snap shots taken in various sections of the country which he took while traveling with the late Theodore Roosevelt, Henry Ford, Thomas E. Edison

and Harvey Firestone, who were on various occasions his boon companions.

The cool bracing air and lovely sunshine of Sunday brought forth motorists in large numbers to enjoy the glorious reservoir and mountain scenery.

Mr. and Mrs. Herbert Boice of Watson Hollow were Tonzore callers on Saturday evening.

Edible mushrooms since the rains make their daily appearance upon the lawns and are much sought after by those who enjoy these delicious tid-bits, but which so closely resemble poisonous toad stools as to be excluded from the diets of those in doubt.

As there are no contests in the Primary election to be held Tuesday, the vote will no doubt be unusually light.

Morton Roe of Kingston spent the week-end with his family at West Shokan Heights.

The crop of elder berries being very light, indications point to a dry winter.

A number of local people attended the preaching service at Tonzore on Sunday morning.

ST. REMY.

St. Remy, Sept. 16.—Ben Dudenhausen visited his father at their home in this village the past week.

Mr. and Mrs. Ralph Gurney attended a wedding at New London recently.

The Arnold family here vacated the Deyo house.

Mr. and Mrs. G. Dunn entertained her brother and wife over the week-end.

The Ellsworth family were at Springfield on Sunday.

Mr. and Mrs. Admes of New York city are guests of their daughter, Mrs. Frank Pokorney.

There was a very pleasant gathering at the Red Men's Hall on Thursday evening to celebrate the 21st birthday of Harold Van Vleet. The party was planned by the Community Club and was a complete surprise to Harold. He received many hand-some presents, including a diamond scarf pin. The evening was spent in dancing, which was enjoyed by young and old. Refreshments were served including a pretty birthday cake which adorned the table. At a late hour the guests departed.

WINDOW SILL REFRIGERATION DANGEROUS

Window-sill . . . back-porch . . . cellar . . . pantry—all are dangerous, insanitary and unreliable in the preservation of perishable foods.

Doctors and public health authorities everywhere agree that only artificial refrigeration the year around affords adequate protection. Fifty degrees is the danger point. When the temperature creeps above that mark the micro-organisms which cause food to spoil multiply astonishingly. And when foods are kept at too low a temperature there is danger, too. They are frozen or frost-bitten, and lose their nourishment value.

To insure the health of your family—and to prevent costly food waste, use artificial refrigeration the year around—in January as well as June.

NOTICE TO BIDDERS—Sealed proposals covering Construction Work for Snow Guards, Picture Mould, Gutter and Cornices, and Door Grilles, Museum Building, Senate House Property, Kingston, N. Y., in accordance with Specification No. 3594 and accompanying drawings, will be received by Hon. Franklin D. Roosevelt, Governor, Chairman of State Office Site and Building Commission, Executive Chamber, Capitol, Albany, N. Y., until 3 o'clock (Eastern Standard Time) on Tuesday, October 1, 1935. Proposals shall be accompanied by a certified check or money deposit of 5% of the amount of the bid. Successful bidders will be required to give a bond in the sum of 5% of the amount of the contract. Drawings and specifications may be examined free of charge at the following offices: Commissioner of Architecture, 240 Broadway, New York City; Commissioner of Architecture, 353 Broadway, Albany, N. Y.; District Engineer, 109 N. Genesee Street, Utica, N. Y.; District Engineer, Weghlock Building, Syracuse, N. Y.; District Engineer, Barge Canal Terminal, Rochester, N. Y.; District Engineer, Barge Canal Terminal, Buffalo, N. Y.; District Engineer, 71 Frederick Street, Binghamton, N. Y. Proposal blanks and envelopes may be obtained and drawings and specifications may be purchased by general or sub-contractors from the Commissioner of Architecture, 225 Broadway, Albany, N. Y., upon a payment of \$2.50. There will be no return of the money paid for such drawings and specifications. Dated, September 16, 1935.

READ WANT ADS

PORT EWE

Port Ewe, Sept. 17.—Ewe's Council, No. 42, Sons and Daughters of Liberty, will meet Wednesday evening at 8 o'clock in their room on Broadway.

Nearly \$300 was the amount cleared from the two block parties held under the auspices of the Reformed Church recently.

Edwin M. Townsend, who has been visiting his sister, Mrs. E. A. Eltinge, has returned to his home in Philadelphia.

Miss Florence Vanderbilt of Yorkers, who has been visiting her friend, Mrs. Samuel Timmer on Broadway, has returned home.

Friday afternoon, September 13, was held the first Parent-Teacher Association meeting of the year. Several members were present and a good start was made in our year's work. It was voted to purchase song books and present them to the school. The following committees were appointed: Music, Mrs. Arthur Fowler; magazines, Mrs. Joseph Midda; president's message, Mrs. Donald Decker. A membership drive will be started in the near future. Each parent or friend will receive a letter explaining the purpose of the P. T. A. and what it has accomplished. This is a worthwhile organization which strives to form a stronger bond between home and school. All parents who desire the best for their children and all others who are interested in children and school, are asked to join and become active members. Those who join as active members can help to do what other active members have done and are still striving to do, make the school a healthier, better equipped and happier place for children to attend. A fine program has been prepared for the year. Those in charge are Mrs. Eltinge Elsworth, Mrs. Richard Terpening, Mrs. William Schweigel, Mrs. Frederick Baker. The subject for September was "The School Lunch." It was decided to try for a month serving milk at the morning recess, beginning Monday morning, September 22. The charge will be four cents a half pint or twenty cents a week per child, to be paid one week in advance. All parents who wish their children to have milk will send in the money on Thursday or Friday of each preceding week. In this way it will be known how much milk to order. A dental campaign will soon be started.

Mrs. Robert McMichael of Montreal, Canada, visited friends in Port Ewe on Sunday and attended services in the Methodist Church.

Eltinge Timmer of Broadway is attending the Rensselaer Polytechnic Institute at Troy. He is taking a course in electrical engineering.

Mr. and Mrs. Ira Jordan and family will move from the residence of Jessie Walker on Hasbrouck street to the residence of Mr. and Mrs. Chauncey Freer on Stout avenue.

Miss Alice Van Wageningen of New York City, who has been visiting her sister, Mrs. E. A. Eltinge, has returned home.

MILTON.

Milton, Sept. 16.—Isadore Harelick of Paterson, N. J., have been buying large quantities of Wealthy apples for his chain of fruit stands in New Jersey. Big trucks have been carting the apples away as fast as they are being picked. Peaches, especially the Hale peaches, are bringing good prices. Myron Hazen has been getting \$6.50 a crate. Lorenzo Divrio has sold nearly 700 bushels of 2 1/4 inch Wealthy apples at an exceptionally good price. Westervelt Clarke has been getting as high as \$2.75-4.00 per crate for Elberta peaches. Many peaches are being packed at the Milton Cold Storage Plant. William has received as high as \$3.50 per carrier for ripe tomatoes shipped to the American Fruit Growers, Inc., in New York.

Mr. and Mrs. Edward Goehring of Brooklyn spent the week-end at their summer home on Sands avenue.

Dr. and Mrs. Gervais have gone on a week's vacation. They left last Thursday. The doctor will be in his office on Friday, September 20.

Work on the Willow Tree road was finished last week. The next improvement will be on the road running to the town of Lloyd from Milton Turnpike. This road will be macadamized. The work will be begun at the corner of the Enoch Carpenter property.

The regular meeting of the W. C. T. U. was held at the Community House Friday evening.

Tuesday evening, September 24, the regular monthly meeting of the Maids and Mrons Club will be held at the Community House. Hostesses will be Miss Mary Taber, Mrs. Russell Martin, Mrs. William M. Lais, Mrs. J. R. Woolsey, Jr. and Mrs. Henry Horton. Miss Winifred Driscoll will speak on her trip abroad this summer.

Mr. and Mrs. W. H. Donaldson, Sr., spent the past week at Thompsonville, Conn., with Mr. and Mrs. George R. Wilson.

Mr. and Mrs. Ward Crowell of Dumont, N. J., were recent visitors at the home of Mrs. Alice Crowell.

Mrs. Maria Smith of Yorkers is visiting at the home of Mrs. Birdsall Taber.

E. S. Alsdorf and family have moved into the house owned by Peter McManus.

Vincent Hickey of White Plains has been visiting at the home of his father Michael Hickey.

Miss Carrie Ostrander of Highland is visiting at the home of Mrs. Thomas Sears.

Miss Margaret Ball has been visiting friends in New York City.

Gerald Clarke is taking a course in the Bliss Electrical School at Takoma Park, Washington, D. C.

John Matarazo left the past week for Troy where he will enter the Rensselaer Polytechnic Institute.

Mr. and Mrs. Lawrence Heaton of Poughkeepsie were recent visitors at the home of Mr. and Mrs. Ernest Bell.

Rosendale Grange Dance.

Rosendale Grange will hold a dance in Firemen's Hall, on Wednesday night, September 18, to which all are cordially invited. Refreshments served. Good music.

LAST NIGHT on the RADIO

An opportunity to see as well as hear the 55-piece Mobil Oil Orchestra during a regular broadcast will be accorded the general public September 25 when the big symphonic organization sends its Wagner concert of that date over the air from the Radio World's Fair at Madison Square Garden, New York. The Fair will be held during the week of September 25.

Songs of harvest time comprise the Songbook to be offered by the Old Company Singers on Sunday, September 22, through WEA and associated NBC stations at 7 p. m. The quartet, composed of Charles Harrison, Lambert Murphy, Vernon Archibald, and Frank Croton, will be assisted by Arthur Leonard, accompanist, and Milton Cross, announcer. The selections to be offered range from old English harvest songs to "Down on the Farm," a number popular nearly twenty years ago.

Vienna, which from the days of Hayden and Beethoven to modern times of Richard Strauss and Fritz Kreisler has been called the world capital of music, is the source from which will be drawn the program of the General Motors Family Party of which Oldsmobile will be the host Monday, September 23, and in which Lewis James, tenor, and Frank Black's orchestra will be presented.

Making the heart throb in response to the tones of the voice has been the aim of every singer of songs and composer of poetry since the world began. This response is especially sought in the singing of ballads and folk lyrics, as Santa Biando, one of the newest of Metropolitan Opera sopranos, will demonstrate in the Atwater Kent Radio Hour Sunday evening, September 22.

GREAT INTEREST IN RADIO CONTEST HERE.

Much interest is being shown by owners of radios of early date in the contest being conducted by Haver-Hardenbergh Company, furniture dealers at 32-34 Main street, who are seeking to find the oldest radio set within a distance of thirty-five miles of Kingston. A prize of \$10 in gold is being offered to the owners of the oldest radio set within that territory. Haver-Hardenbergh Company are local agents for the C. A. Earl and Zenith radio lines. Their expert radiotician has already inspected a large number of old time sets from the old "cats-whisker" Crystal and tapped aerial regenerative sets with variometer control up through the more modern multi-tube sets. Owners of old sets are requested to get them in tune and then notify Haver-Hardenbergh Company. The original bill of sale is all that is necessary to establish date of set and enter the contest to win the \$10 in gold. The contest closes September 21.

FEDERATED P. T. A. MEETING WEDNESDAY.

The Federated Council P. T. A. will hold its first meeting on Wednesday, September 18, at the high school at 3:15 p. m. All presidents and officers of the schools are urged to be present. The membership chairman will receive some help for the fall drive for new members.

As usual, the attendance prize will be awarded for the best attendance during the coming year; four officers and one delegate from each school being 100% attendance for the school.

Members are asked to bring all their problems and they will receive help. There will be some hints for the program chairman also.

By working together the P. T. A.'s of Kingston can inspire more folks to take deeper interest in the children. The child is the future citizen and reflects in his life the training and influence of his childhood environment.

ULSTER PARK.

Ulster Park, Sept. 17.—The Ladies' Aid of the Ulster Park Reformed Church will meet at the home of Mrs. C. E. Eltinge on Friday, September 20.

Pirate Ship Arrives Here

Capt. Lin G. Greene's Pirate Ship, deep sea wonders and pirate relics exhibition vessel, has arrived in Kingston for a limited stay of a few days. It is near the Rhinebeck-Kingston ferry and now open to visitors from 9 a. m. to 9 p. m. standard time.

The Pirate Ship is an historic, old-style schooner and has two decks filled with wonders of the seven seas and a large collection of weapons used by buccaneers in their raids many years ago around Panama, the British Bahamas and along the coasts of Virginia and Carolina.

There is the cannon, "Big Betsy", captured from the British by the famous Blackbeard and used in his raids. A novel feature is the last hours of Capt. Kidd, who is shown surrounded by his sabers, cutlasses, boarding knives, and other weapons, and his famed steel mesh coat-of-mail that in his days was bullet and saber proof.

The main feature of the marine division is Miami's deep sea monster, 45 feet long and weighing 15 tons—the world's largest fish and the greatest ever seen or captured. This monster is vouchered for by the Smithsonian Institute of Washington, D. C., and by the New York

Aquarium. It was captured off the coast of Florida by three men, with whom it fought terrifically for 39 hours before it was finally landed. It wrecked two boats and pliers before it was pulled onto the marine railway docks in Miami.

Capt. Greene has more than 500 other ocean curiosities on display. Among them are man-eating sharks, crocodiles, alligators, barracudas, largest Japanese crab measuring twelve feet across the arms; the largest octopus with tentacles measuring twenty feet across, an unclassified freak caught off the New Jersey coast, fishes that fly, swim and walk; saw fishes, two-headed blanket fish, Barnum's original mermaids and scores of others.

Haw Youngsters' Indemnity
This is extremely useful for stoppage of a leak in a gas pipe, we read several small boys are of the opinion that it is impossible to imagine a gas leak for the stuff—London House.

Financial and Commercial

New York, Sept. 17 (AP).—The stock market began to worry about credit conditions again today and prices sold off sharply after an opening outburst of strength. Declines in many of the active issues ran from one to six points. But the selling slowed up in the early afternoon when bullish operations were resumed in a selected list of public utilities and specialties.
Call money renewed at 7 1/2 per cent but advanced to 9 when banks began calling loans. Early estimates of loans called ranged from \$25,000,000 to \$50,000,000. The stringency was regarded as temporary and attributed to the adjustments following heavy mid-month interest and federal income tax payments.
The meeting of the Federal Reserve advisory council today also had a tendency to check bullish enthusiasm because of fears that some action might be taken which would have an adverse influence on the market.
Except for the official denials of some of the merger rumors now in circulation, including the proposed combination of paint manufacturers, most of the day's business news was favorable. Several excellent earnings reports made their appearance, and further stock splits were reported under consideration. National investors announced a 6-for-1 split.
Public service of New Jersey was the leader of the Public Utility group, soaring 6 1/2 points to a new high record at 130 1/2. Electric Power and Light and Columbia Gas also moved into new high ground. American and Foreign Power rallied from a low of 179 to 187 1/2 where it was up 4 1/2 points above last night's close. American Telephone, American Power and Light, Pacific Lighting and General Public Service sold 3 to 4 points higher.
Hudson motors was in brisk demand, rising 3 1/2 points to the accompaniment of unconfirmed rumors that the company was shortly to introduce an eight-cylinder car. Michigan steel, columbian carbon, commercial solvents, Westinghouse Electric first preferred, air reduction, Lackawanna and Southern Pacific sold 4 to 6 points higher.
Quotations given by Parker McElroy & Co., members N. Y. Stock Exchange, 120 Broadway, New York city, branch office, Stuyvesant Hotel.

SOUTH RONDOUT.
South Rondout, Sept. 17.—Miss Elizabeth Cole is visiting her parents, Mr. and Mrs. Ed. Cole.
Mrs. Henry Clair had as guests Mr. and Mrs. Clossin and returned with them to West New York.
Mr. and Mrs. Fred Fox of West-haven have returned home after spending a few days with Mr. and Mrs. Liberty Hyde of Second street.
Mr. and Mrs. Peter Reis and daughters, Frances and Corolla, Theodore Reis, Bernard Reis, and Mr. and Mrs. Joseph Reis of Kingston, and Mr. and Mrs. Harry Wolf and son, Donald, of Bogota, N. J., and Miss Estelle Mulligan of Teaneck, N. J., were the guests of Mr. and Mrs. John Stoudt of First street, and spent a very pleasant evening at their home Monday evening.
Mrs. Isaac Hotelling has returned to her home on First street after spending some time at Haines Falls with her daughter, Mrs. E. B. Haines, at the Vista.
Mrs. Wallace Boies and daughter, Jean, are guests of her mother, Mrs. I. Hotelling. They will return to New York this week, accompanied by Mrs. Hotelling.
Mr. and Mrs. John Guernsey have returned to their home after spending the summer at the "Sunset View", Haines Falls.
Mr. and Mrs. Nat Cole and daughter, Anna, returned home after a summer at their house, "Sunset View", at Haines Falls, which they have closed for the season.
Mr. and Mrs. Ed. Dunn of Ridgewood, N. J., were the guests of Mrs. Imogene Dunn, his mother, she having returned with them to spend some time at their home.
Pilot Joseph Snyder is home after the season on the "Albany". The boat has been docked for the winter. He has extended his heating system, making quite an improvement in his home.
Mrs. W. H. Mencil spent Thursday in Kingston with her sister, Mrs. Ida Gunther.
Mr. and Mrs. Sanford and daughters, Helen and Margaret, were callers to Mr. and Mrs. Ira Maurer and family on Thursday evening.
Mr. and Mrs. Joseph Snyder spent Monday evening with Mr. and Mrs. Harry Van Vleet of Slighsburg.
Mrs. Edward Cole has recovered from her recent illness.
Mr. and Mrs. George Finnigan and the Misses Josephine and Lillian Lonssett of Pawtucket, R. I., and John Doyle of Kingston, spent Sunday evening as the guests of Miss Helen Stoudt of First street.
William Meyer and sister, Julia, and Mr. and Mrs. John Meyer enjoyed a motor trip to Lake George last week.
Mr. and Mrs. John Madden of Jersey spent a few days with Mr. and Mrs. Joseph Scherer at their home on Second street.
Mr. Wilcox and family have moved into the house of Miss Elizabeth Clair on First street.
Mrs. Edward Cole spent Thursday in Saugerties, the guest of her daughter, Mrs. John Schultz.
Mr. and Mrs. Wendell Scherer and Miss Lizette Hamman and John Pardee motored to New Paltz, Highland and Poughkeepsie last Saturday.
The notice of the school tax is posted and taxes may be paid to Postmaster John Pardee, from September 14 to October 14.
The Ladies Aid of the M. E. church held its first meeting after vacation, at the home of the president, Mrs. John H. Vogt, on Wednesday, September 11. A food sale is in order, the date to be given later.
Norman Spinnenweber, Roland Myers, Fred Maurer and Edward Pardee, returned after a motor trip to Lake George. The old flivver is going good yet in face of its memorable trip to Canada last August.
Mrs. Albert Johndro is spending a few days in New Jersey and while there will attend the wedding of a friend.
A good many folks from here attended the M. E. Church clam bake at Port Jervis, Sept. 15.
Florence Haines has returned home after her vacation at Haines Falls, at "The Vista".
Mr. and Mrs. William Schoeller and son William, of Plainfield, N. J., spent the week-end with Mr. and Mrs. J. H. Vogt at their home on Centre street.
Mrs. Margaret Hyatt is visiting friends in Newburgh.
Miss Emma Meyer, who was ill for a few days, has recovered.
Patrick Madden spent a few days with his brother, Daniel Madden, at Wilbur.
Mr. and Mrs. George Wortman, John Boos, Edward Wortman and daughter Nan, of Kingston, Mr. and Mrs. William Craft, Mr. and Mrs. Andrew Craft and two children of Waterbury, Conn., were Sunday callers at the home of Mr. and Mrs. John Stoudt.
Miss Elizabeth Cole spent a few days at Haines Falls.
Mr. and Mrs. Joseph Peters and daughter Dorothy, of the Bronx, were the guests of Mr. and Mrs. J. H. Vogt over the week-end.
Olga and Wanda Vetoski returned from a visit to their grandmother, Mrs. Setera, of Kingston.
The Rev. and Mrs. S. Ardron are spending a week with Mr. and Mrs. E. B. Haines at the "Vista", Haines Falls.
Edward J. Scherer, Wendell Scherer, Sr., Mr. and Mrs. George Collier and Mrs. Rein of Kingston, motored to New York one day last week.
An old fashioned "skimmington" was given last Monday to Mr. and Mrs. John Flarity in honor of their recent marriage. Mrs. Flarity was Miss Anna Bectold. They are residing in their own home, a bungalow built by them, which has all the improvements up to date, and is tastefully furnished. All extend congratulations and best wishes for a happy wedded life.
Wendell Scherer, Jr., returned from a visit to Mr. and Mrs. McCormick and family of West New York.
Mrs. Roswell Avery, daughter of Ruth, and son Leonard, accompanied her son, Raymond Avery, to New York, where he intends to enter college for preparation for the priesthood. He is a member of St. Peter's Roman Catholic Church.
Mrs. James Wesley returned after spending nearly two weeks visiting friends and relatives in Utica. While there Mrs. Wesley attended the Legion Convention, also a luncheon given at the Hotel Martin by the Liscomb-Wheeler Camp, Spanish War Veterans' Auxiliary in honor of the State President, Mrs. Williams, who was re-elected to that office during the convention. One of the most beautiful sights of the parade was the marching of the bands and colors, they marched twenty-four abreast and as the street they paraded was rather hilly, (Genesee street) the effect was marvelous, with a fleet of airplanes flying above in escort.

Local Death Record
Egbert Smith died at his home in Olive Bridge on Monday, and 75 years. Funeral from the Tongue Church on Thursday afternoon at 2 o'clock, daylight saving time. Interment in Winchell Cemetery near Stone Ridge.
Funeral services for Mrs. Robert Weed, who died Saturday morning at the Kingston Hospital, were held Monday afternoon in the Methodist Church at Highland. The Rev. Obed Mace conducted the services. Interment was made in Highland cemetery. Mrs. Weed was the daughter of Dr. I. C. Dart, a practicing physician of Highland who died there.

Society Notes
The monthly meeting of the ladies of Miss Minnie Riskey's Sunday School Class, of St. James Church, held at the home of Mrs. Clarence L. Dunn Monday evening, took the form of a "shower" for Miss Nellie Van Steenburgh. There was a large attendance, a most pleasurable social hour was spent, the tempting refreshments served by the hostess were most thoroughly enjoyed and Miss Van Steenburgh received a collection of gifts that any young lady might envy.
Junior League Tea.
Miss Elise Hasbrouck and Mrs. William Hinkley will be in charge of the Junior League tea room on Wednesday afternoon.
Coming Wedding.
Albion, Sept. 17.—Mrs. Margaret Trichter has issued invitations for the marriage of her niece, Mary Ellen Moynihan, to John Adams Lawler on Saturday, September 28, at 5 o'clock at the Church Our Lady of Lourdes. The reception will follow immediately after the church ceremony at the Margaret Hotel.
Bennett-Frazier.
Pauline Frazier of Shandaken and Bouse Bennett, formerly of Phoenix, were united in marriage on Saturday, September 14, by the Rev. Thomas Braithwaite of Shokan. Mr. and Mrs. Bennett will reside in Jersey City, the bridegroom being employed in the Western Electric plant at Kearney, N. J.
Duffy-Krom.
Miss Myrtle Krom and James Duffy, both of this city, were united in marriage on Monday afternoon by the Rev. William H. Kennedy of St. Mary's Church. They were attended by Mary Sherlock and William Sapin. Following the ceremony a wedding dinner was served at Cuneo's restaurant, which was appropriately decorated for the occasion. Fifteen couples attended the dinner. After a honeymoon in New York, New Jersey and Connecticut, Mr. and Mrs. Duffy will reside on Pierpont street, this city. The bridegroom is a captain on the Cornell line.
A Birthday Party.
A birthday party was held at the home of Miss Mary Kregloskie, 82 Yeoman street, Monday, in honor of her eighth birthday. Games and music were enjoyed and at 9 o'clock a bountiful supper was relished by all. Miss Mary received many pretty and useful gifts. Those present were: Mary Kregloskie, Edna Lowe, Cosma Cusher, Marie Long, Charlotte Norton, Mary Cusher, Helen Kregloskie, Rita Long, Mary Lowe, Jack Lang, William Ramsey, Luther Ramsey, Kenneth Ramsey, Roscoe Cusher, Leo Kregloskie, Joseph Lynch, Mr. John Dolan, Mrs. Michael Norton, Mrs. Leo J. Lynch and Mrs. Mary Kregloskie.
Steinmiller-Rathgeber.
Miss Gertrude Rathgeber, daughter of Mr. and Mrs. Andrew Rathgeber of 361 Albany avenue, and Charles Steinmiller of this city were united in marriage Monday afternoon at the English Lutheran Church of the Redeemer, corner of Wurts and Rogers streets, by the pastor, the Rev. O. E. Brandoff. Attendants were Miss Florence Rathgeber, maid of honor, and Albert Rathgeber, best man, sister and brother of the bride. Both the bride and maid of honor were dressed in golden brown with hats to match and carried corsage bouquets of rosebuds. A repast at Von Berg's restaurant followed the wedding ceremony. After a honeymoon in Connecticut Mr. and Mrs. Steinmiller will reside in Kingston.
A Family Reunion.
A very pleasant time was had on Sunday, September 15, when the sons and daughters of the late Harvey and Della Berran of Brodheads met for their annual reunion at the home of J. LeRoy Berran at Delhi, N. Y. Six sisters and brothers with their children, grandchildren and a few friends were present. Two sisters, Mrs. L. T. Allen and Mrs. E. Dixon, were unable to attend. A bountiful luncheon was thoroughly enjoyed by all, and after a social afternoon they departed for their homes, planning to meet again next year. Those present were: Mrs. Jane Westbrook, Mr. and Mrs. William Royoff, Mr. and Mrs. William Berran, Willard A. Berran, Miss Grace Berran, Mr. and Mrs. Ed. Elmendorf, Miss Lena Elmendorf, Mr. and Mrs. E. C. Snyder and daughters, Shirley and Roberta, all of Kingston; Mr. and Mrs. Henry Mank, Henry Mank, Jr., and Miss Helen Griffin, of Schenectady; Miss Lucy Berran, Miss Edna Van Keuren of Hurley; Mr. and Mrs. Mrs. Henry Hoffman, Mrs. Eugene Hoffman of Mt. Tremper; Harlow McLean, Miss Elizabeth Shultz, of Brodheads; Mr. and Mrs. DeWitt Shultz and daughters, Louise, Ruth and Elsie of Woodstock; George Durwood and Gladys Berran of Walton and Mr. and Mrs. Roy Berran of Delhi.

Food Costs in Year
Climb 1.4 Per Cent
Washington.—Comparing June, 1929, with June, 1928, the bureau of labor statistics, Department of Labor, says food cost has increased 1.4 per cent. Sirloin steak cost 47.4 cents per pound June 15, 1929, and 51.2 June 15, 1928; rib roast 34.7 and 37.4. Pork chops increased from 34.5 cents per pound to 37.7. Bacon, ham, and hens increased, while lamb underwent a slight decrease. Lard and eggs increased. The cost of various listed articles of food combined showed an increase of 58.8 per cent in June, 1929, as compared with June, 1923.
Rainfall Under a Roof
The palmhouse of the botanica, gardens at Leningrad is watered by an artificial rainfall which is distributed over the entire interior at one time. The water is forced through the pipes electrically and the flow is controlled through the operation of a single switch.

Ten Civil War Vets Meet and Elect Officers
Coles of "Comrade" well met greeted the 15 Civil War veterans present out of a group of 25 active members of the Twentieth Regiment Association, when the organization convened this noon at the Clinton Avenue M. E. Church to hold its annual business meeting and dinner. Each year the soldiers of the regiment meet on the anniversary of the Battle of Antietam.
Among the active members present were W. H. Aldrich, Virgil Hunt, Augustus Cole, George Markie, James Pierce, Ira Porter, F. A. Rasmussen, John J. Van Keuren, Marcus Osterlander and James H. Relyea. Others attending and honorary members made up the others attending the affair were Henry and Commodore Henry S. Jennings of Pratt Post, A. R., were among those who joined the ranks of honorary members this year.
Officers of last year, Virgil Hunt, president; Augustus Cole, vice president; N. H. Fessenden, secretary; and Major Alfred Tanager, treasurer, were re-elected for the coming year.
The meeting opened with several selections by an orchestra under the direction of Mr. Pierce. The selections played were in keeping with the military spirit of the occasion. Following the musical entertainment, Mr. Markie opened the business meeting with an invocation, after which roll call and election of officers took place. Notes of regret from members of the regiment who were unable to be present were then read, and names presented for honorary membership.
After the business meeting, a dinner was served by the Women's Auxiliary of the church. Speakers on the program included Mayor Dempsey, the Rev. E. O. Brandoff, Thomas F. Coughlin, Mr. Markie and Mrs. Sarah J. Loomis.
Mayor Dempsey wished the regiment well and thanked for the invitation. The Rev. Mr. Brandoff spoke on what it had done, Mr. Markie made a few remarks, Mrs. Jennings presented a yearly donation of \$5 from Mrs. W. C. Martin in honor of her father, John McKelvie, who served with the regiment and Mr. Coughlin, representing the American Legion, said that the legion would endeavor to carry on the work and ideals begun by the regiment.
It was decided that the regiment would meet again next year on the same date. This year two more active members were present than there were a year ago.

Indianapolis Plane Down.
Indianapolis, Ind., Sept. 17 (AP).—The Indianapolis Flamingo plane, attempting to establish a new world's endurance record, was forced down at 8:20 o'clock this morning when it became lost in a fog and ran out of gasoline. The plane had been in the air 18 hours and 25 minutes when it landed, undamaged, near Knightstown, 35 miles east of Indianapolis.
DIED.
BEHRENS—In this city, September 16, 1929, Anna Elizabeth, wife of the late Dr. Henry Behrens. Funeral at residence, 207 Washington avenue, on Thursday at 2 p. m. Interment in the Poughkeepsie Rural Cemetery.
MARNETT—In this city, Sunday, September 15, 1929, Anna M., widow of the late William C. Marnett, and loving mother of William H. Relatives and friends are invited to attend the funeral from her late residence, 607 Delaware avenue, on Wednesday, September 18, at 9:00 a. m. and at St. Peter's Church at 9:30 a. m., where a requiem Mass will be celebrated for the repose of her soul. Interment in the family plot in St. Peter's cemetery.
OSTERHOUDT—At Rosendale, N. Y., Monday, Sept. 16, 1929, Charlotte A. wife of the late John J. Osterhoudt. Funeral service at her late residence, Main street, Rosendale, Thursday at 2:00 p. m. Relatives and friends are invited. Interment in Rosendale Plain cemetery under the direction of Frank J. McCordie.
REED—In this city, September 16, 1929, Mary, wife of Colby Reed. Funeral at residence, 73 Fair street, on Wednesday at 11 a. m. Interment in the Gilboa Rural Cemetery.
RICHTER—At West Hurley, New York, Tuesday, Sept. 17th, 1929, Varion J. Richter. Funeral notice will appear later.

REPAIRING DOCK.
The dock of the Hudson River Steamboat Company, formerly the Central Hudson dock on the Rondout Creek, is undergoing extensive repairs. The work of rebuilding the dock is being done by Sturgeon the dock builder and it will take some time to complete the job.
Friends and relatives in Utica. While there Mrs. Wesley attended the Legion Convention, also a luncheon given at the Hotel Martin by the Liscomb-Wheeler Camp, Spanish War Veterans' Auxiliary in honor of the State President, Mrs. Williams, who was re-elected to that office during the convention. One of the most beautiful sights of the parade was the marching of the bands and colors, they marched twenty-four abreast and as the street they paraded was rather hilly, (Genesee street) the effect was marvelous, with a fleet of airplanes flying above in escort.

Matinsky No Puzzle to Zinna

Local Lightweight Believes He'll Be Able to Beat Clever New Yorker in Main Fair Grounds Bout Thursday.

Nick Zinna, undisputed lightweight champion of the Hudson Valley, who fought two draws here with the clever Harry Matinsky of New York, believes that he will be able to take Harry's measure at the Kingston Fair Grounds Thursday night when they meet in the feature attraction of a card that promises action galore.

The Kingston boy, who showed in his two scraps with Matinsky that his stamina was far superior to the New Yorker's, is in the pink of condition. He goes eight or ten rounds daily and his handlers believe that Thursday's six rounds will be nothing for Nick. It is also contended that Matinsky will be no problem for Zinna in their next meeting. Nick learns easily and has caught on to Harry's ways of fighting. Nick, although he does not manifest his confidence in a boastful manner, believes that Matinsky will be easy for him to beat Thursday.

The New York boy, who craves a win over Zinna, knows that Nick is stronger than he so an early win is his aim. Matinsky is doing the sort of training that will put dynamite in his punches. He handed out all he had in his two fights here, but Zinna weathered his strongest attack. It is needless to say anything about Matinsky's boxing ability for local fans know that he is a real clever boy. His performances with Zinna were two of the most thrilling ever fought here, while his win over Vince Hart, once the idol of Kingston fandom, first attracted local fight patrons to Matinsky's ringworthiness.

Those who enjoy real action are expected to get it at Bill Singer's boxing show at the Fair Grounds Thursday night, when the program will be made up of five star six-round bouts and a four stanza tilt. Supporting the Zinna-Matinsky go are the following:

Ruby Greenburg, New York, vs. Pasqual Buonfiglio, Argentine; Jeff Harris, England, vs. Jack Pettibone, France; Sid Reiser, New York, vs. Jack Kenny, New York; Manny Flores, New York, vs. Joe Simonetti, New York. Nick Faxon of Greece and Raymond Moran of New York will open the proceedings with a four-round.

FIGHTS LAST NIGHT

(By The Associated Press.)

Brooklyn—Jack "Kid" Berg, England, defeated George Baldus, Lewiston, Me., foul (2).
Pittsburgh—Wee Willie Davies Charleroi, Pa., outpointed Corporal Izzy Schwartz, New York, (10).
Baltimore—Bud Gorman, St. Paul, defeated Walter Cobb, Baltimore, foul (6).
Topeka, Kan.—Ed. "Bearcat" Wright, Omaha, outpointed Al Walker, New York, (10).
Louisville—Johnny Mason, Scranton, and Young Jack Dillon, Louisville, drew, (10).
Flint, Mich.—Roger Bernard, Flint, outpointed Tony Herrera, Chicago, (10); Roy Van Hook, Pontiac, Mich., outpointed Eddie Koppy, Detroit, (8).
Wichita, Kan.—Angus Snyder, Dodge City, outpointed young Bob Fitzsimmons, Newark, (10).

Athletics Sell All Their Tickets

Philadelphia, Sept. 17 (AP).—It required only one short working day for the Philadelphia Athletics to dispose of all their tickets for the world series game here with the Chicago Cubs.

"We are sold out for the series. It will be impossible to consider any further applications for seats," was the word given out today by club officials.

The club had announced that beginning yesterday at 12:01 a. m. mail requests for reservations would be received. Immediately after that hour thousands of fans dropped letters into the mails. The orders were in such volume that the club engaged a clerical force of 55 men and women and rented a nearby vacant factory to handle the business.

After more than 35,000 letters had been received, most of them requesting two tickets, the maximum to be allotted to one person, the club lost interest, as the capacity of Shibe Park already was far over-subscribed. The reserved seat capacity of the park is less than 37,000. During the day it was estimated that requests were received for approximately 75,000 tickets.

THREE BOXING TITLES MAY BE DECLARED VACANT

Chicago, Sept. 17 (AP).—The boxing titles vested in Sammy Mandell, Mickey Walker and Andre Routsis, today were in jeopardy—not from socking fists, but of being taken away by the National Boxing Association. The association, in convention here yesterday put the cases of Mandell, world lightweight titleholder; Walker, holder of the world middleweight championship, and Routsis, featherweight ruler, in the hands of the championship committee.

It was expected that Walker's title would be declared vacant. Routsis and Mandell were expected to get another chance each.

The commission contended none of the three has defended his title against satisfactory opponents during the last six months.

"Alamo's" Real Meaning
"Alamo" is a Spanish word, and means poplar tree.

CONNIE MACK

Tagging Major League Bases

(By Herbert W. Barker, Associated Press Sports Writer)

Jewel Ens' Pittsburgh Pirates—rather late to be sure—seem to have determined to give the Chicago Cubs absolutely no help in their chase for the National League pennant.

With the Cubs leading either one victory on their own behalf or a Pittsburgh defeat to clinch the bunting, the Pirates yesterday were unfeeling enough to take two from the Phillies and thus retain their mathematical chance of nosing out the Cubs, who were held idle by rain.

Beating the Phils twice in one day may not be any great feat for other teams in the league, but to the Pirates it seemed marvelous. Before the double bill began the Phils had trounced Pittsburgh 11 times in 19 contests, only the Giants having a better record against the Corsairs.

Jess Petty and Ervin Brame held the slugging Phils to five hits in each game. Petty outpitched Lester Sweetland to win the first game, 3-2, in ten innings. Brame had a wide margin over Smythe, Collins, Dailey and McGraw in the nightcap which went to the Pirates, 5-2. Smythe was touched for seven hits and four runs in the first inning of this fray.

The Pirates' double victory put them four and one-half games in front of the third-place Giants who went down before St. Louis, 5-4 in 11 innings. Fitzsimmons lost control in the eleventh, forced in the tying run when he walked Wilson with the bases filled and then permitted Gilbert to single, driving home the winning tally. Mel Ott hit his 39th homer of the season, placing him in a tie with Chuck Klein and Hack Wilson for the league leadership.

Boston's Braves pounded Lucas hard and defeated the Cincinnati Reds, 8 to 4. The season's series, however, went to the Reds, 14 games to eight.

In the American League Cleveland advanced to within five games of the second place Yankees by taking Ruth and Company over the Jumps, 4 to 2. Miljus outpitched Wells but was relieved in the ninth by Wes Ferrell after Gehrig had tripped and Koenig had doubled. Ferrell stopped the Yanks dead thereafter.

Alvin Crowder held the Athletics to two hits and the St. Louis Browns beat the new league champions, 3 to 2. The A's runs were scored in the fourth when Simmons beat out an infield hit and Fox rapped out his 33rd homer. In no other inning could the Mackmen get a safe hit.

Washington approached to within a game and a half of fifth place by turning back Detroit, 10-9, in a free-hitting struggle halted by darkness at the end of the eighth inning. Eight pitchers saw service, none of them lasting more than four innings.

Charley Ruffing had a slight edge on Alphonse Thomas and the Boston Red Sox nosed out Chicago, 4-3. The victory put the Red Sox only four games out of seventh place.

\$1,200,000 RECEIVED AT THE CUB OFFICE

Chicago, Sept. 17 (AP).—Certified checks and postal money orders for approximately \$1,200,000 covering applications for world series seats in Wrigley Field, have been received at the Cub office.

Of course part of the negotiable paper must be returned for there are not that many dollars worth of seats available, but neither the two world series between the Yankees and Giants, nor the Cardinal-Yankee struggles inspired as many fans to send in bids for tickets.

William L. Veck, president of the Cubs, said no less than 200,000 applications have been received, with more pouring in with every mail delivery.

Major League Club Standings

(By The Associated Press.)

Table with 4 columns: Team, W, L, P.C. American League: Philadelphia 96 43 .691, New York 80 60 .571, Cleveland 74 64 .536, St. Louis 72 66 .522, Detroit 65 74 .468, Washington 63 75 .457, Chicago 54 84 .391, Boston 52 90 .366

American. Batting—Simmons, Athletics, .367.

Runs—Gehring, Tigers, 123. Runs batted in—Simmons, Athletics, 144.

Hits—Simmons, Athletics, 199. Doubles—Manush, Browns, 44. Triples—Miller, Athletics; Fonseca, Indians, 14.

Homers—Ruth, Yanks, 44. Stolen bases—Gehring, Tigers, 25.

Pitching—Grove, Athletics, won 20; lost 4.

Sport Slants

By Alan J. Gould, (Associated Press Sports Editor.)

The Campolo-Scott and Sharkey-Loughran engagements this month should go a long way toward helping to clear the heavyweight air that has been distinctly foggy for some time even though there may be no nationwide anxiety as to whether or not a heavyweight champion is officially crowned before the next full eclipse of the moon.

If the dash down the stretch means anything, Campolo and Loughran should have a good chance to come through as the winners. Each has been gathering headway rapidly for the big drive this year and each has youth in his favor, with Campolo apparently packing the punch and Loughran possessing the most artistic left jab in the business.

The big Englishman, Scott, was tapped none too gently on the chin about two years ago by Knute Hansen when he came over here for the first time. Campolo was put in a horizontal position by Monte Munn in Buenos Aires not long afterward but the Argentine has remained vertical ever since, likewise impressing the critics by the way he won from Arthur DeKuh and Tom Heeney.

Sharkey has made little or no headway since he was knocked out by Jack Dempsey in 1927. The Boston sailor has fought infrequently and with no particular energy since then. Loughran, on the other hand, has kept his competitive edge. Unhappily by any concern about making weight, Tommy has the speed and boxing ability to give anybody a busy evening in the ring.

It has been ten years since the western half of the American League has cut into the world's series melon. Cleveland, led by Tris Speaker, was the last entry from the other side of the Alleghenies to figure in the final battle and it will be well to keep the Indians in mind when the pennant prospects are doled out next spring.

Billy Evans and Roger Peckinpaugh have done a fine job of reconstruction work with the Cleveland club this year. The Indians picked up two of the outstanding rookies of the year in outfielder Earl Averill and pitcher Wes Ferrell, the North Carolina star, who has been poison to the Athletics. The rebuilt infield with the veteran Lew Fonseca making a fine come-back at first base, Hodapp and Ray Gardner starring around the keystone bag and Joe Sewell shifted to third base, has been a big factor in the climb of the Ohio outfit. Blk Falk has contributed a big punch.

Since mid-season Cleveland has played as consistently good ball as any club in the league and the confidence gained by their showing should help the Indians to make a fast start in 1930.

BLUE MOUNTAIN.

Blue Mountain, Sept. 17.—Mr. and Mrs. Carl Carlson of Waterbury, Conn., have returned home after spending some time with their parents, Mr. and Mrs. Everett Becker. Mr. and Mrs. William Layman of Hartford, Conn., spent a day recently with Mr. and Mrs. William Wolven.

Mr. and Mrs. Richard Reynolds spent the past Thursday evening with Mr. and Mrs. Frank Schoonmaker.

Mr. and Mrs. Frank Hommel, Leon Willis, Mrs. Fred Cole and son, Walter, were Monday callers of Mr. and Mrs. William Hommel.

Marwood Myer and friend of Haines Falls spent a day recently with his grandparents, Mr. and Mrs. Charles Myer.

Claude Becker and Benjamin Hill of this place are quite ill at the Benedictine Hospital, Kingston. All hope for their recovery.

Mrs. M. Rider of West Saugerties spent a few days the past week with her grandmother, Mrs. F. Schoonmaker.

Mrs. Henry Reynolds and children have returned to their home here after spending the past week with her mother and sister at Highland. Nelson Schoonmaker, Mr. and Mrs. F. Schoonmaker and son, Robert of this place and Ruth and Evelyn Schoonmaker and Fred Eckerlein of Saugerties spent Wednesday evening with Mrs. Claude Hommel.

Claude Hommel is spending a few days in Monticello. Edison Wolven has recovered from his recent illness.

Mr. and Mrs. M. Schoonmaker and Mrs. Claude Hommel and children motored to Monticello Sunday afternoon.

Expert Finds X-Rays Help in Plant Growth

Berkeley, Calif.—Prof. T. H. Goodspeed of the University of California claims discovering a new function of the X-ray—possibly of enormous commercial value in connection with plant life. He believes certain living plants, notably tobacco plants, may have their entire character and even their sex changed by being treated with X-rays or the gamma rays of radium.

Goodspeed found that certain dosages of the mysterious rays brought about changes in the shape, size and gender of plants, and that these changes were transmitted to the children and grandchildren, so-called, of the treated plants.

The commercial possibilities of the discovery rest in the likelihood that other plants may be treated with similar results—that fruit growers, for example, might breed superplants through the influence of the rays, and that these plants might transmit their unusual and superior qualities to their descendants.

Wine Drunk by Romans

The drink of the ancient Romans was wine, which varied in strength from pure grape juice to a beverage containing alcohol.

News from the World on Wheels

The regular quarterly dividend of \$1.75 a share on the 7 per cent preferred stock of the Willis-Overland Company was declared here today by the board of directors. The dividend payment totals \$273,185.25 on the 155,563 shares of outstanding preferred, payable October 1 to stockholders of record September 16. The directors expressed gratification over the wide public acceptance of the new Willis-Knight Great Six, recently introduced sales of the new model they said, with thousands of unfilled dealer orders on the books for immediate delivery, have necessitated maximum production.

The diversity of engineering of the staffs of the Auburn Automobile Company is one of the outstanding achievements of the automotive industry. Cars built by the various units of the company range in price from \$355 to \$25,000.

The new Duesenberg is a product of Duesenberg, Inc., at Indianapolis, Ind., an Auburn unit. This car has a 265 h. p. motor with a speed of well over 120 miles per hour. The chassis alone sells for \$8,500, bodies being custom built and ranging from \$3,000 upward. Engineers accept its engineering as the finest that has ever been made available to the public. The car was designed by Fred S. Duesenberg, world famous automotive engineer, who is vice president in charge of engineering of Duesenberg, Inc. The new cord front drive automobile which was recently announced to the public is likewise an Auburn product. This car is the first passenger front drive car offered the public.

Automobile body designers of both custom and standard production cars are showing a marked interest in the new Willis-Knight Great Six which is now being shown throughout the country in showrooms of Willis-Overland merchants. The interest of the experts has been aroused through the distinctiveness of these models which disclose an entirely new and original treatment of details. Although the design of these new cars is not radical and keeps well within the bounds of refinement, yet the completeness of each detail is seen as a marked advance of previous body types.

Peak production is being maintained at the Buick Motor Company plants in order to fill the enormous demand for the 1930 Buick models. That the total production for August exceeded the output for the same month last year is shown in the company's monthly report, which sets forth that 29,034 cars were manufactured during the month just ended as against 27,476 in August, 1928. Last month's total output also showed a substantial gain over July of this year when 25,694 cars were manufactured. Production for the last six months exceeds that of the similar period in 1928 by more than five thousand automobiles, the report shows.

With shipments of De Soto cars totalling 8,163 during the month of August, and with dealers in all sections of the country placing orders for more cars to meet the demand in their localities, De Soto officials are enthusiastically speeding up production to take care of unfilled orders on hand.

As the final step in bringing out a completely new line of tires, the United States Rubber Company has announced the introduction of the "Rural Master," a new tire in the so-called super-quality field. This latest product of the company is designed to meet the need for a tire that will last

for practically the life-time of the car. Rubber has been massed where wear is heaviest, and in the building of the carcass, and in tread configuration, the aim of the engineers was to construct a tire capable of unusually high mileage.

At Katharine Gibbs School.

Boston, Sept. 17.—Miss Charlotte A. Wheeler of 276 Pearl street, Kingston, New York, is enrolled in the special course for college women at the Katharine Gibbs School, 59 Marlborough street.

Secures Bank Position.

Miss Beulah Van DeMark, a graduate of Spencer's Business School, 237-239 Fair street, has secured a position as stenographer, typist and clerical assistant with the Kerkhouson National Bank, Kerkhouson.

DOWNTOWN BUSINESS MEN'S SPECIAL MEETING TONIGHT

A special meeting of the Downtown Business Men's Association will be held tonight at 8 o'clock in the Downtown Jewish Community Center. It is requested that every member be present as very important business will be transacted.

Peach Shortcake Supper.

A peach shortcake supper will be served in the chapel of the Episcopal Presbyterian Church Friday, September 20, starting at 5 p.m. The menu consists of chicken parties, mashed potatoes, salad, tea, coffee or cocoa and peach shortcake with whipped cream. The public is invited to attend.

Complete Plans for Reception

The convention of the Atlantic Deep-sea Waterways Association in session aboard the steamer *Berkshire* left New York city on Monday and is slated to arrive off Kingston Point on Wednesday evening at 5 o'clock. The local committee having charge of the arrangements to welcome the delegates to Kingston met with Mayor Dempsey at his office in the city hall Monday and completed plans for the reception.

The *Berkshire* will berth at Kingston Point over night, leaving here Thursday morning for Boston. The reception committee of local residents will meet the delegates as the steamer berths here. Music will be furnished by the Citizens' Band, and there will be a brief program. Arrangements have been made for lighting the pier and it is expected that many residents will visit Kingston Point that evening to take part in the reception.

Many Ducks Poisoned.
Salt Lake City (P).—Alkali poisoning in the streams has caused hundreds of thousands of wild ducks to perish near here this year. Sportsmen have been trying to frighten the fowls out of the area into fresher waters.

Hoover-MacDonald Conversations of Significance to All World

Miss Isabel MacDonald, shown in portrait, and affectionately with her father, will accompany the British prime minister when he sails for the United States September 28 on the Berengaria (inset).

By L. A. Brophy
(AP Feature Service Writer)
Washington (P).—Two men whose lives are an epitome of the ideals of Anglo-American democracy stand as key figures in an unprecedented move toward world peace.

The face to face meeting in Washington of Herbert Hoover and Ramsay MacDonald will be an event of unparalleled historic significance. The result of their friendly gesture to bring their governments in accord on naval strength are certain to be of supreme importance to the other nations of the world.

There are three definite movements their meeting may set in motion: The friendly gesture will place the

capstone of Anglo-American naval parity, providing the negotiations which have extended over months are successful.

In such event the principles arrived at will be offered as a basis for naval accord between the other world powers.

The culmination of the negotiations is expected to give impetus to a technical background for the world disarmament movement.

The colorful history of these leaders of two of the world's greatest nations lends a background of human interest to the conference.

Hoover rose from the poverty of an orphan farm boy to become President of the United States. MacDonald, born in a humble two-room cottage in the Scotch village of Los-

siemouth, rode through a rough political career to become prime minister of Great Britain.

Of added interest to the American people will be the presence of his daughter with the premier. Miss Isabel MacDonald will accompany her father when he sails for this country September 28. She is an attractive girl, as interested in politics and peace as her father. Since Mrs. MacDonald died, the daughter has been the premier's hostess and constant companion.

The MacDonalds probably will stay at the British embassy in Washington. It is expected that the prime minister will make an official call on the President shortly after his arrival, which the American chief executive will return immediately.

Stonehenge Mystery to Students of the Past

Ancient and mysterious Stonehenge is located some nine miles from Salisbury, and near the little town of Amesbury, in Wiltshire, England. This circular formation of stones encloses what is commonly called the Altar stone. What its origin or purpose is time or research has not revealed, but it is obviously connected with some form of worship. It is generally believed to have been erected some 4,000 years ago, possibly by the tribe from the Continent which brought the idea of cultivation of land to England in the Bronze age. To the east of the Stone circle is the Hele stone or Friar's heel, over which at dawn on June 21—namely, at the summer solstice—the sun rises when viewed from the Altar stone. Other pointed stones mark the rise of the sun at the winter solstice and sunset at midsummer. At few places in England can the thoughts run riot to such an extent as in this circle of immense stones standing in solitude overlooking Salisbury plain. Pictures of human sacrifice and heathen rites spring readily to the imagination.

Echo Measures Distance

By means of a new device to be installed upon airplanes, the aviator will be enabled to judge the distance to the ground very accurately. This device makes use of the echo of the exhaust explosions from the engine and even though the earth may be obscured by a thick fog the echo of the explosions, reflected from the surface of the ground, will tell the aviator his exact height. This apparatus is of immense value when the view of the earth is cut off and it is said to be very accurate even when quite close to the ground.

So Simple

Mrs. Suburbs, who was absorbed in a romance of the Seventeenth century, suddenly looked up at her husband. "George," she remarked, "listen to this: 'By my halldom,' exclaimed Sir Percival, 'it is past the hour of 12! Now, what is a halldom, George?'" "What do you suppose it is?" he responded. "Doesn't the context tell you? Sir Percival's name said it was past 12 by his halldom, didn't it? Well, I should have thought anybody could have seen that halldom was the make of his watch."

Sight Influences Handwriting

If the average handwriting of a person with normal vision is taken as a standard, that of the individual suffering from nearsightedness will be found to be much smaller and that of the farsighted individual much larger.

The nearsighted person does not realize that his writing is small, for he sees it enlarged, and the farsighted person does not know that he writes large, for his eyes reduce the image for him.

Don't Be a Quitter

Quitting is one of the worst traits of the human race. And one of the most common, too. One little setback and we throw up our hands in disgust. The fellow who wins is the one who can take a reverse and come back smiling.—Grit.

Recovers Valuables.

Mrs. Almee V. Samuel, public stenographer, can testify to the honesty of Ben Fein and his employees at the New York Sample Shop on Wall street. Last Saturday while shopping Mrs. Samuel mislaid her hand bag containing a considerable sum of money, glasses, a key to her safe deposit box and other valuables. On returning home she missed the bag and believed it had been lost. Returning later to the New York Sample Shop she was delighted to find that the hand bag had been left in the store where it was returned to her by Mr. Fein with the money and valuables intact.

Slight Fires Monday.

Monday afternoon an electric iron which had not been turned off caused a slight fire in the residence of H. Temple, at 53 Lawrence street and the fire department responded to a still alarm Monday evening while Albert Burger of Port Ewen was driving his car down the hill leading to the Rondout Creek Bridge the brakes on the car became overheated and when Abel street was reached the car was on fire. Firemen from the Abel street station extinguished the blaze and the damage was slight.

Fire Might Reach Oil Field.

Santa Paula, Cal., Sept. 17 (P).—The brush fire raging through the canyons back of this Santa Clara Valley town, early today approached to within ten miles of the Ventura avenue oil field. Despite the considerable distance county fire fighters said the flames might reach the big petroleum field.

Engineers Hurt in Crash.

Constantinople, Sept. 17 (P).—The famous Simplon Express, fast train between Paris and Constantinople, collided with a Turkish freight train in the environs of Constantinople yesterday. The Simplon Express was not damaged. The damage to the freight train amounted to \$50,000.

SAUGERTIES COMPANY MAY INCREASE CAPITAL.

A copy of a certificate granting the action of the Saugerties Manufacturing Company, to increase its capital stock has been filed in the office of the Ulster county clerk. The action of the stockholders, signed by John A. Snyder, president, and Howard Gillespie, secretary, has been approved by the Secretary of State at Albany. The company when incorporated had a capital of \$90,000 which can now be increased to \$150,000.

NASH COACH OF PETER BLACK REPORTED STOLEN.

Monday afternoon it was reported to the police that a Nash coach owned by Peter Black had been stolen from the grounds near the Senate gas station.

Peru and Nicaragua Join Court.

Geneva, Switzerland, Sept. 17 (P).—Announcement was made today that Peru and Nicaragua have joined the World Court, making the total of members 54. Signatures to the protocol looking toward American accession to the court today had reached a total of thirty.

Sentence Suspended.

Leonard Cox of 617 Delaware Avenue and Francis R. Lynch of 313 Hasbrouck were arrested for driving their cars past the red signal light at Broadway and Foxhall Avenue. This morning, in police court Judge Shafeldt suspended sentence in both cases.

In Surrogate's Court.

Letters of administration have been granted in Surrogate's court to Luigi Grostro, a creditor, in estate of Steve Vincent of the town of Ulster, who died intestate. Value of estate: \$425 personal. Andrew J. Cook, attorney for petitioner.

Rob Rectory of St. Mary's Church

Some time Sunday night or early Monday morning a thief broke into the rectory of St. Mary's Church on Broadway and stole over \$600 in cash. The money was the day's collection at the church services. Articles of value were also taken by the thief, who made good his escape. The burglary was not discovered until Monday morning when it was reported to the police department.

A Rummage Sale.

An opportunity, shop and rummage sale will be held at 580 Broadway on Thursday, Friday and Saturday of this week. Articles for the sale will be received all day Wednesday. Clothing of every description, especially children's and men's is in great demand and household goods of all kinds will be most acceptable. The sale is under the auspices of the women of the Holy Cross parish.
